On Engagement with the Issue of Climate Change—From the Presbytery of New Covenant.

The Presbytery of New Covenant overtures the 223rd General Assembly (2018) of the PC(USA) to:

1. Express its profound concern about the detrimental effects of climate change on all God’s creation, including those living in poverty, the elderly and children, and those least responsible for the emissions of greenhouse gases.

2. Proclaim that we recognize the Gospel’s call to shift to a just, compassionate and sustainable energy plan.

3. Acknowledge that this compels us to implement strategies and actions that engage climate change and offer the realistic prospect of changing our destructive behaviors that contribute to the issue.

4. Call upon congregations and councils of the church to develop ways for those who disagree on climate change to be in dialogue with one another, seeking together to find and represent the will of Christ; affirm the need for dialogue and discernment, not only within and among our congregations, but also all parties outside our denomination, seeking faithful individual and collective responses to address climate change, trusting that we share a common belief in the need to respond.

5. Affirm that we have a duty to assure that our response to climate change does not endanger the economic progress and improvements in living conditions that have been made among all of God’s people, most notably the impoverished, but instead enables that progress to continue.

6. Affirm that is both possible and practical to effect meaningful change; urge individuals, congregations, councils of the church, and institutions (including the Presbyterian Church (U.S.A.) Foundation, Board of Pensions, Presbyterian Mission Agency, Office of General Assembly, camps, conference centers, colleges, and theological seminaries) to initiate, continue, and build upon steps to reduce our carbon footprint and to continue adoption of lower-carbon and zero-carbon technologies and lifestyles.

7. Commend the Committee on Mission Responsibility through Investment (“MRTI”) for its long history of corporate engagement on climate change issues.

8. Instruct MRTI to continue that engagement, applying the long-standing PC(USA) principles related to corporate engagement and consideration of divestment.

9. Acknowledge that our response must not be limited to corporate engagement, and that engagement also requires us to develop, advocate, and implement faithful responses that alter harmful individual, institutional, and corporate behaviors that contribute to climate change.

10. Affirm the steps already taken by the Presbyterian Foundation, Board of Pensions, and Presbyterian Investment and Loan Corporation to leverage investments to help care for God’s creation and mitigate the adverse effects of climate change by urging these groups to establish and enhance programs to target climate change solutions, such as the “Restoring Creation Loan” program, which allows congregations to renovate their buildings using energy-efficient products to conserve energy, lower costs, and reduce carbon emissions.

11. Commend congregations that have committed to the “earth care pledge” and encourage all congregations to consider joining the Earthcare Congregation Network of the PC(USA).

12. Advocate for the reduction of greenhouse gases through the use of alternative, cleaner energy sources, such as natural gas, nuclear, wind, solar, and industrial-scale power storage, even if only as a bridge to the long-term future.

13. Direct the Advisory Committee for Social Witness Policy, in collaboration with Congregational Ministries Publishing, The Thoughtful Christian, and other organizations with parallel goals, to develop a policy paper and educational materials to assist congregations and councils of the church to understand the impact of climate change and in taking individual and collective action to slow climate change, including: shareholder activism; investments in renewable energy; advocacy at local, state, federal, and international levels for policies to reduce greenhouse gas emissions (including policies to price greenhouse gas emissions);
and local efforts to reduce carbon footprint, consistent with the 2006 call for denominational carbon neutrality, and the 2008 “Power to Change” recommendations.

14. Direct the Stated Clerk of the PC (USA) to inform the denomination and the larger public of the passage and implementation of this overture.

**Rationale**

Our denomination has long recognized our obligation to be faithful stewards of God’s creation (including General Assembly actions in 1981, 1998, 1999, 2003, 2006, and 2008). We have acknowledged the realities of climate change and its effect on the “least of these,” and the need to take action by reducing energy consumption and reliance on fossil fuels. Now is the time to move from symbolism to education and behavioral changes.

We must also adopt in our individual, congregational, and denominational lives meaningful approaches that address climate change. As Christians, we have the privilege, responsibility and obligation to speak with moral authority on issues of great importance. Climate change is such an issue.

This overture exhorts us to unite all Presbyterians to engage climate change with responsible, meaningful, and lasting actions that will make a difference in the future of God’s creation. Through the actions called for in this overture, the PC (USA) will demonstrate the depth of our theological understanding of the stewardship of God’s creation and community by promoting faithful actions that unite us in addressing the issues of climate change.

**Biblical and Theological Rationale**

Ecology and justice are implicit in the story of creation itself: “The Lord God took the man and put him in the Garden of Eden to till it and keep it” (Gen. 2:15). This Scripture affirms four values that characterize “a new faithfulness” reflecting God’s love for the world: sustainability, participation, sufficiency, and solidarity. These values also highlight the inherent tensions. We cannot address only the good of the creation without also considering the good of the community. We cannot address only the good of the community without considering the good of creation. Global climate change, regardless of its cause, threatens both the community and the earth over which we are stewards. Our call is to address these threats responsibly, with meaningful effect, while promoting economic justice.

**A Proposed Response**

From our perspective, the consistent, rational, and equitable global pricing of emissions would enlist market forces to drive changes in consumption necessary to reduce greenhouse gas emissions, and also provide the economic incentive necessary to promote investment in low-carbon or zero-carbon infrastructure and technologies. Affordable energy would continue to be available to drive responsible economic development, while global emissions driven by consumption would decline. We thus address our dual responsibility to promote the well-being of the disadvantaged and the protection of the earth.

We also recognize that this pricing system must originate with the secular authorities, not PC(USA). This Overture therefore also highlights many actions that we as individuals, congregations, and institutions can take on our own authority, and that some among us are already taking. We urge broader adoption of these actions.

**Summary**

We Presbyterians approach creation with the twin perspectives of responsible use and sustainable care. An ethic of stewardship therefore must consider creation both as a good in itself and as a resource for economic justice. The responsibility of holding wealth is directed toward an ethic of engagement that seeks to use wealth to transform injustice and immorality rather than shunning such engagement. Action to bring about that outcome is a faithful response to the urgent climate change issues that are before us.

COMMITTEE ON REPRESENTATION
2017 REPORT TO COORDINATING CABINET

The Presbyterian Church (USA) (henceforth PCUSA) places a strong value in selecting leadership at all levels of the church that represents the full diversity of the memberships of all of our congregations. To that end the Book of Order, the constitution of our church has several sections which speak directly to representation and participation in leadership as do the Bylaws of our Presbytery (POD Bylaws, Article XI, 4, (b), ii).

Most relevant is G-3.0103 which says, “Each council shall develop procedures and mechanisms for promoting and reviewing that body's implementation of the church's commitment to inclusiveness and representation. Councils above the session shall establish by their own rule committees of representation to fulfill the following functions: to advise the council regarding the implementation of principles of unity and diversity, to advocate for diversity in leadership, and to consult with the council on the employment of personnel, in accordance with the principles of unity and diversity in F-1.0403.”

A proposed amendment to the Book of Order recommends that teaching and ruling elders serve on committees and ministry teams “in numbers as nearly equal as possible.”

This report is the Committee on Representation's (henceforth COR) review of the Presbytery of Detroit's (henceforth POD) implementation of this charge. Historically, COR has prepared a statistical type report which attempted to show the relationship between various categories of membership in all of our churches and membership on committees and ministry teams of the POD to see whether our leadership was representative. In accordance with recent revisions in the Book of Order, this report will include the information about the diversity in representation in POD committees and ministry teams and information compared to diversity in the membership of the POD congregations. We will also make additional recommendations to help POD strengthen its commitment and actions for diversity and inclusiveness in leadership.
Data Collection and Issues Related to Data Collection

Data related to the members of our congregations:

COR used the data collected for 2016 by the POD in the clerks' reports from each congregation and compiled by Presbytery staff. For a number of years, the committee has struggled with both the categories the clerks are asked to use and understanding how the clerks are able and choose to complete the forms. For example, who is African American and who is black? Fortunately, this is an issue that has come to church wide attention with several overtures to the General Assembly asking for a revision of the clerks' reporting form. This concern was assigned to the GA level COR, and we are eagerly looking forward to their response.

Representation, diversity and inclusion by Committees and Ministry Teams

To achieve diverse representation in all the work of the Presbytery, it is necessary to have diversity on each committee and ministry team. With that in mind here is a list of the committees and ministry teams which are far from the Presbytery norm or goal in one or more categories.

Racial Ethnic Representation:

There are no Asian Americans on:
- Committee on Representation
- Congregational Development
- Leadership Equipping Ministry Team (henceforth MT)
- Mission Interpretation MT
- Multicultural Ministries MT
- Presbytery Operations MT
- Planning and Visioning Team
- Social Justice MT
- Trustees

This is significant because the POD has more Asian membership (1170) than any other racial ethnic group. The other racial ethnic congregational representation is Black, African American and African (1005) Middle Eastern (46), and Hispanic (64)

There are no Blacks on:
- New Church Development MT
- Permanent Judicial Commission.
There was one Middle Eastern representative on the New Church Development MT last year. There are no Middle Eastern representatives on any other committee or MT.

There are no Hispanic or Native American on any committees or MTs. Whites are represented on all committees and MTs.

**Teaching Elder/ Non Teaching Elder:**

The following committees and ministry teams have a significant (60% or more of either one) teaching/non teaching elder imbalance.

- Congregational Development and Transformation
- New Church Development
- Trustees

**Gender:**

The following committees and ministry teams have a significant (60% or more of one gender) gender imbalance.

- New Church Development MT
- Social Justice MT
- Trustees

The goals for COR in 2018:

- Work collaboratively with CON to gain more diversity on POD committees and Ministry Teams
- Attend CON meetings quarterly
- Sponsor presentation for POD by Rev. Molly Casteel, the Assistant Stated Clerk for GA Committee on Representation in March.
- Revise Diversity Information Form created for POD committees

The parties will work together and in good faith to minimize the impact upon Seller's property and parking spaces.
   (e) This transaction is contingent upon Buyer obtaining all necessary approvals for a land split to create the parcels described in Exhibit A. Seller agrees to cooperate with Buyer’s efforts to secure land split. All costs associated with the land split shall be borne by the Buyer.
   (f) The Closing on the Property following exercise of the option shall be held at such a time and date as the parties may agree upon at the office of the Seller's attorney provided, however, that closing must take place on or before thirty (30) days after this Option is exercised and no later than September 30, 2018.
   (g) Buyer shall pay all closing fees and all costs associated with the sale of the Property. The parties agree that the Title Company shall prepare the required deed and closing documents necessary to complete the transaction, the Title Company shall conduct the closing, and the cost of same together with any settlement, document preparation, or disbursement fee shall be borne by Buyer. Buyer shall

5. Receive and include in the minutes the following for the information of Presbytery:

a. Trustees authorized up $30,000 for the Faith in Action Work Group for the purpose of
   providing grants of up to $1,000 as a part of Phase 1 of their program for distributing the
   $350,000 gift to Presbytery.

b. The Trustees voted to approve on behalf of the Presbytery of Detroit the quit claim deed
   of Celtic Cross Church to Glenn P. Neuner, whose address is 47930 Harbor, Chesterfield
   as follows:

   Land situated in the City of Center Line, County of Macomb, State of Michigan
   Lot 13, except the South 170.00 feet and Lot 14, except the South 60.0 feet, Assessor’s Plat
   No. 2, according to the plat thereof as recorded in Liber 13, Page 15 of Plats, Macomb
   County Records.
   For $1.00.
   Commonly Known as: 25045 Burt
   Parcel ID: 01-13-22-353-027
   The reason for approving this is that a strip of land was inadvertently not
   included in the sale of their manse. The owner is selling and discovered
   the error. The imminent sale is pending approval of this quit claim deed.

c. The Trustees have released funds from the Ranney-Balch Fund as follow, contingent on
   approval by the Coordinating Cabinet:

d. The Trustees have been forced to move forward with evicting the Barnabas Project from
   the property at 3530 Grand River. The property is owned by the Presbytery and has been
   used by Barnabas, but not since November 2016. The Trustees have informed Presbytery
   of their intent to place the property on the market.

   Presbyterian Church on April 28th.

h. The Trustees have been in consultation with Park United regarding a property purchase
   and its taxable status. The property is a store-front intended for some worship and other
ministries. Since the purchase was for cash with no encumbrance, no Presbytery approval is required.

i. The Trustees have amended its policy T-7 Statement of Investment Objectives, Policies, and Guidelines, Art 7 as follows (deleted provision is crossed out, amended provision is in italics.):

   Target Ranges
   Equity Investments 40%-60% (Includes REITS up to 10% of the total)
   Fixed Income Investments 40%-60%
   Cash Equivalents 0% - 5%

Item 5e. A motion was made in November relating to the use of funds realized in the sale of the 3530 Grand River property, which was referred to the Trustees. In January the Trustees informed the Presbytery that they will report on that referral at this meeting. The Trustees have since received notice that the Michigan Black Presbyterian Caucus has an interest in the funds. The Trustees will report on the referral after consultation with the Black Caucus.

The paragraph was divided for separate consideration on demand of a member. A representative of the Michigan Black Presbyterian Caucus moved that the last two words of the third sentence (“the funds”) be struck out and that the following be inserted in their place: “participating in the process for determining the recommendation of the Trustees.” The Presbytery voted to approve the amendment and to include the amended version in the minutes, as follows:

MID-KENTUCKY PRESBYTERY
Transforming and Strengthening Congregations to be Missional, Pastoral and Prophetic

We lost 763 members in 2016, down from a loss of 1494 members in 2015. We have not stemmed decline, but we have slowed it down. Presbytery still pursues the mission of strengthening and transforming congregations to be missional, pastoral, and prophetic.

The racial makeup of the Presbytery continued to change. Korean Americans are now the largest minority (5.24%) and African Americans are now 4.5% of the membership.

The Presbytery of Detroit through, its committees and teams, offered a lot of help to congregations last year. There was much impact. Here are the outcomes that I want to report.

The Care and Preparation for Ministry Committee:

• supported congregations by training and developing leaders for congregations, for ordained ministry of word and sacrament, and for Commissioned Ruling Elder.

The Committee on Ministry:

• gave help and inspiration to interim and temporary pastors;
• supported churches and pastors in their transitions;
• prepared new clergy to avoid sexual misconduct;
• visited many congregations to offer the support of Presbytery; and
• resourced retired pastors.

The Committee on Representation:

• held in front of the Presbytery the need to represent the diversity of the Presbytery in congregational leadership and on Presbytery committees, teams, and workgroups.

The Committee on Nominations:

• filled most of the teams and committees with gifted and called leadership.

The Trustees:

• assisted congregations with property management, and sale;
• represented the corporate functions of the Presbytery;
• supported the ministry of the Howell Nature Center;
• provided office space for the work of the presbytery; and
• oversaw the funds: strengthened the accounting and managed the investments that brought revenue to the Presbytery.

The New Church Development Team:

• helped pastors and elders ask how they can start meetings with those outside of the church, to serve people who do not come in. How can congregations reach those who are “done” with institutions? Or will have “none” of them?
Congregational Development and Transformation:

- helped with mission studies, demographics; and
- introduced a new tool for studying congregations called “Owlsight,” or visualizing a congregation from up on high with visual acuity. This helped measure level of satisfaction and energy of members.

The Leadership Equipping Ministry Team Workgroups team:

- introduced educators to new ideas for resources so they could “flip the classroom,” including providing resources for the 10 – 20 churches that visit each month;
- gave youth the opportunity to meet youth from other communities, across other races and cultures, while conducting mission, including taking a group to the Montreat conference center;
- equipped new officers with tools for ministry;
- helped leaders of congregations start new mission projects in their community, assisted by the missional church network, to help congregations make an impact on their community, to remake the church and change the world;
- welcomed and resourced new pastors and commissioned ruling elders, including introducing them to missions in Detroit, with a tour of Detroit and the exhibit on the 1967 uprisings at the Detroit Historical Society;
- opened leaders in the Presbytery to a deeper faith in Christ through Presbyterian Pilgrimage events.

The Multicultural Ministry Team:

- lifted up the vision of Martin Luther King, Jr., that our society, churches, and presbytery might reflect the “beloved community;” and
- introduced commissioners to the value of the Belhar Confession that calls for racial equality in the church.

Social Justice Ministry Team:

- helped congregations to understand the water crisis, and to help neighbors deal with the crisis;
- offered regular exhibits at presbytery assemblies on how to be inclusive;
- helped seniors to find health care;
- helped congregations know that they can help members and neighbors find resources when they hear about gender violence;
- encouraged entrepreneurship among Detroit residents through Self Development of People grants;
- offered 27,000 meals through the outreach of 9 congregations, including an outreach providing cereal for hungry kids in the summer, supported by the Hunger Work Group; and
- awarded grants for congregational outreach projects, funded by the Ranney-Balch Fund.

Mission Interpretation Ministry Team:

- continued to support congregations that led campus ministries at Eastern Michigan University, Oakland University, and the University of Michigan, as well as supporting a ministry on Wayne State University Campus by InterVarsity Christian fellowship);
- supported the growth of youth on the East side of Detroit at Second Mile Center, and Barnabas Youth Opportunities, Inc. in Midtown, which is currently moving out of Presbytery’s building;
- impacted members of congregations who saw their faith grow through mission and tried to attract young adults to ministry through the work of Motor City Mission Corps, a Young Adult volunteer program with emphasis on how they can serve God in their vocation;
• helped congregations make an impact on neighbors by holding health fairs for those without insurance; and
• helped the East Thika Presbytery to design and maintain wells and supported their ministry.

The Planning and Visioning Ministry Team continued to hold teams and committees accountable to describe the difference their funding will make towards outcomes. An outcome is the difference made by spending resources and holding activities. By planning for what outcomes take place, teams do more than measure how many opportunities for training they offer. They describe or picture the impact, or difference, they will make. Additionally, for the first time in my memory, Planning and Visioning assigned a Goals Work Group to delegate and to monitor Presbytery-wide goals.

Planning and Visioning also planned special events for each Presbytery Assembly to help congregations meet the Great Ends of the Church (F-1.0304). Last year Assemblies focused on the end: the promotion of social righteousness. The discussions were about how churches could speak to their community about issues of social righteousness. They helped congregations speak about immigration, education, the needs of Detroit, and gender violence.

**Presbytery’s Support Groups**

A word of thanks needs to be extended to the Trustees. They provide funds for the Presbytery, excellent office space, loans to congregations and support to congregations in their transactions. The Trustees asked Presbytery to establish a special committee to help declining congregations to their way into the future, either by consolidating, merging, or closing. The committee follows the Presbytery Policy on the topic, called P-21.

The Operations Ministry Team continues to support the staff. Annual evaluations were again held for all staff. They also led a study of staffing needs, assisted by consultant Robert L. Hunter. Bev Knox, longtime Executive Assistant retired, and with that change, it was time to study what staffing is needed. That process has included the Coordinating Cabinet, ministry teams and committees, and members of Presbytery. The staff mourn the loss of Beverly Knox, longtime servant to the Presbytery.

The staff gave great support to the Presbytery. During a time of staff transition they worked hard and helped publicize the work of congregations, and special events of congregations. They attempted to provide for financial accounting and reporting. Our staff and consultants provided resources for congregations, as well as consulted with congregations about their mission, including addressing hunger needs, and transformation. They also supported the ecclesiastical functions of the Presbytery, such as statistical reporting and clergy membership.

The mission of the Presbytery was also extended by the Presbyterian Women, The Presbyterian Men, and the Michigan Black Presbyterian Caucus.

**Funding the Mission**

Some of our congregations are very generous with funding to the mission of the Presbytery, while other congregations only supported their own mission. My hope is that congregations both support the mission of the Presbytery and mission in their community and in the world. There are ministries that teams see that are not supported by congregations, so need the support of Presbytery, Synod and General Assembly.

Last year the Presbytery operating mission budget (Fund 100) had more revenues than expenses. While at the writing of this report the accounts have not been audited, initial reports show that the budgeted expenditures were lower because teams or committees did not spend all that they asked for (primarily the Operations and New Church Development Teams). Revenues were higher for two reasons: increased income from Presbytery’s
portion of the endowments and increased per capita revenue from congregations that brought their per capita obligations up to date.

What do I see in the future for the Presbytery?

I would like to lend support to the committees, teams and work groups in their strengthening of congregations. Excellent plans that are in place. Ministry teams are envisioning great outcomes for their work and there is potential for great impact.

In my opinion, our new staffing design will lead to more support of congregations. I look forward to a new and increased strategy for communicating what Presbytery and its congregations offer. I look forward to supporting congregations and pastors more directly with the help of an Associate Executive Presbyter. I look forward to giving ministry teams more accurate and timely accounting, so they can step out boldly in their work.

Per capita dollars support the administration of the Presbytery, Synod, and General Assembly. Most of the congregations see the importance of the connectional church and receiving the support of the denomination. The congregations especially see the need for the support of presbytery in times of pastoral transition, and when they send a candidate for training of the presbytery.

Last year the Leadership Equipping Ministry Team offered training for churches looking to join God in their neighborhood. Five pastors joined a bi-weekly conference call to compare notes and give each other support, under the coaching of Michael Binder. The trend to collaborate with others in the community is growing, and neighbors are seeing the extension of the kingdom of God through the outreach efforts of congregations. These congregations are securing their place as God’s servants and leaders in the community.

I am also encouraged by two new directions of COM: to hold clergy cluster meetings to support pastors, and to offer a coach for each clergy new to ministry, with the impact being support for the start-up phase of ministry. COM also has formed a new sub-committee, to look at innovations in ministry for congregations. They are collaborating with the Congregational Development and Transformation Team.

I have some concerns:

I have heard from five congregations that they see their time as limited. I have suggested to each that they contact P-21 (Presbytery Policy 21 – on closing, merging or consolidating churches) to make a proactive plan for ministry. Struggling churches have options if they take early action. For example, the Drayton Avenue Congregation have nested in another congregation in the community, and listed their property for sale, as an act of stewardship. They have joined some community wide ministries that are nurtured by three congregations now. These congregations see the value of partnership.

The number of congregations with temporary and part time pastors is growing. Presbytery commissioned four ruling elders to congregations, and they are doing a wonderful job. 18 congregations of our 79 churches have part time pastors. 14 of our churches are looking for a new pastor. This takes more time for the Committee on Ministry. The Trustees will have to help sell property.

One other change to note is the shift in diversity. While there are more Asian Americans (5.2%) African Americans (4.5%), Asian Americans are under-represented on teams and committees. The Committee on Nominations continues to work hard to represent all ethnic groups on committees and teams and made progress in recruiting Asian Americans to serve the Presbytery. The Committee on Nominations needs help in recruiting called and gifted people to serve.
I am encouraged by the number of congregations who are engaged in mission in their community. When our new Hands on Mission Coordinator, Michael Barconey, began his ministry, the team asked me to give him congregations to visit that demonstrate healthy mission. I sat down and thought of 41 congregations. I believe this is the church of the future. We can’t be the church that turns inward.

Yes, we need to nurture faith in Christ, but in an equal way, the church needs to hear Christ’s call to serve him outside their walls.

Recently the lectionary shared the text, “If any one want to come after me, let that one deny oneself, take up her or his cross, and follow after me” (Mark 8:31-38). The pastor of one congregation reminded his congregation that success is not having a fine building and great programs. Success is measured by how we follow Jesus. Jesus calls us to deny ourselves, take up our cross, and follow him. Where is Jesus going? Into the community and into the world. Jesus is welcoming the stranger, lifting the poor and hungry, healing the broken, releasing the captives and sharing the good news of the gospel.

Somewhere along the line, some churches turned inward. They said, “We will build it and they will come.” Or they were satisfied with worship with only their friends. In my opinion the church of tomorrow needs to demonstrate the power of the gospel in such a way that people in our communities will see the kingdom grow, and will see the added value a congregation of faithful believers can give them.

What is that added value? The Presbytery looked at Jeremiah’s hope for Jerusalem, that he shared for God. Jeremiah said, “seek the welfare of the city in which you live, in which you are exiles. Pray for them; build houses; grow families. For in their welfare, you will find their welfare.” He concludes by saying God has a plan for them, for a future and a hope.

Jesus calls his disciples to be the salt of the earth and a light to the world. In Jesus’ day, salt was used to preserve food, and to give zest to food. May we preserve what is true and good, and may we bring zest and hope to those around us. Jesus said, put your light on a hill so all can see. Don’t hide it. May we be a beacon of hope. Jesus said, “Let your light so shine before others, that they may see your good works and give glory to your Father who is in heaven” (Matt 5:16).

And the Apostle Paul urges us, “And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him” (Col 3:17).
At the Riverside Church of New York, N.Y., a prophetic Martin Luther King Jr., addressed America and highlighted the “triplets of evil” that challenged our existence ~ militarism, racism, and materialism. The movement of the Holy Spirit upon his conscience led him to break silence on that evening and speak out about the economic injustice of war. Martin’s journey from that pulpit led to the formation of a Poor Peoples Campaign; a campaign for him cut short by an assassin’s bullet. 50 years later the prophet’s mantle has been taken up by a new generation. Co-chaired by the Rev. Dr. William Barber II and the Rev. Dr. Liz Theoharris, a Poor People’s Campaign now calls for a moral revival in America.

Whereas the 50 years since the campaign of 1968 has seen an increase in the income inequalities between that of white America and black America…

Whereas the 50 years since the campaign of 1968 has seen an increase in the population of children in America living in poverty…

Whereas the city of Detroit has consistently been portrayed as the poorest major city in America for the past 5 years…

Be it resolved that on this date ___March 10, 2018__________________________, the Presbytery of Detroit publicly endorses the Poor People’s Campaign / A National Call for Moral Revival and their attached 12 Fundamental Principles. This resolution is presented by Michigan Black Presbyterian Caucus.
1. We are rooted in a moral analysis based on our deepest religious and constitutional values that demand justice for all. Moral revival is necessary to save the heart and soul of our democracy.

2. We are committed to lifting up and deepening the leadership of those most affected by systemic racism, poverty, the war economy, and ecological devastation and to building unity across lines of division.

3. We believe in the dismantling of unjust criminalization systems that exploit poor communities and communities of color and the transformation of the “War Economy” into a “Peace Economy” that values all humanity.

4. We believe that equal protection under the law is non-negotiable.

5. We believe that people should not live in or die from poverty in the richest nation ever to exist. Blaming the poor and claiming that the United States does not have an abundance of resources to overcome poverty are false narratives used to perpetuate economic exploitation, exclusion, and deep inequality.

6. We recognize the centrality of systemic racism in maintaining economic oppression must be named, detailed and exposed empirically, morally and spiritually. Poverty and economic inequality cannot be understood apart from a society built on white supremacy.

7. We aim to shift the distorted moral narrative often promoted by religious extremists in the nation from issues like prayer in school, abortion, and gun rights to one that is concerned with how our society treats the poor, those on the margins, the least of these, LGBTQIA folks, workers, immigrants, the disabled and the sick; equality and representation under the law; and the desire for peace, love and harmony within and among nations.

8. We will build up the power of people and state-based movements to serve as a vehicle for a powerful moral movement in the country and to transform the political, economic and moral structures of our society.

9. We recognize the need to organize at the state and local level—many of the most regressive policies are being passed at the state level, and these policies will have long and lasting effect, past even executive orders. The movement is not from above but below.

10. We will do our work in a non-partisan way—no elected officials or candidates get the stage or serve on the State Organizing Committee of the Campaign. This is not about left and right, Democrat or Republican but about right and wrong.

11. We uphold the need to do a season of sustained moral direct action as a way to break through the tweets and shift the moral narrative. We are demonstrating the power of people coming together across issues and geography and putting our bodies on the line to the issues that are affecting us all.

12. The Campaign and all its Participants and Endorsers embrace nonviolence. Violent tactics or actions will not be tolerated.

ON APPOINTING AN ADMINISTRATIVE COMMISSION
FOR THE SYNOD OF THE COVENANT

The Presbytery of Cincinnati overtures the 223rd General Assembly (2018) of the Presbyterian Church (U.S.A.) to establish an Administrative Commission to address disorder in the Synod of the Covenant, as provided in G-3.0109b(5) of the Book of Order and Standing Rule K.2. of the Manual of the General Assembly. The Commission, which shall consist of not fewer than seven (7) persons appointed by the Moderator (or Co-Moderators), shall:

1. Conduct Special Administrative Review (G-3.0108b; Standing Rule K.2.) for the purpose of inquiring into and settling the following allegations of disorder:
   a. Failure to determine a satisfactory method to fulfill the principles of participation and representation found in F-1.0403 and G-3.0103 in proposed amendments to the by-laws of the Synod, or adequately to consult with the presbyteries and racial-ethnic caucuses of the Synod in the preparation of said by-laws;
   b. Failure to adequately support the ministry and mission of its presbyteries as they seek to support the witness of congregations (G-3.0401);
   c. Failure to adequately facilitate communication with and among its presbyteries (G-3.0401a);
   d. Failure to adequately exercise pastoral care among its presbyteries in order that the synod may live in the unity represented in the Sacraments (G-3.0401b);
   e. Conflict between the Synod Executive and the Racial-Ethnic Caucuses of the Synod, and with the Cabinet on Ethnic Church Affairs of the Synod;
   f. Loss of trust and mutuality between the Synod and its constituent presbyteries;
   g. Loss of trust and mutuality between the Synod Executive and multiple presbyteries of the Synod;
   h. Loss of trust and mutuality between the Synod Executive and the elected and/or administrative leadership of multiple presbyteries of the Synod.

2. In its exercise of Special Administrative Review, and in consultation with the Personnel Services Committee of the Synod, conduct a comprehensive performance review of the Synod Executive, including feedback from Commissioners, Synod Staff, Racial-Ethnic Caucuses, Presbyteries, Presbytery Executives, and others as it may determine helpful to its task; and to direct the Synod regarding the remediation of performance deficiencies, which may include recommendation to terminate employment if it deems the mission of the Synod imperatively demands it.

3. Have full authority to enforce the findings and recommendations of its Special Administrative Review, granting fair notice and an opportunity to be heard to all parties. The process for termination of employment, if recommended, shall conform to the Personnel Policies of the Synod in effect at the time the request for Special Administrative Review was initially filed.

4. Refer to judicial process any irregularities or offenses it may discover in the conduct of its review that cannot be remedied through administrative review.

RATIONALE

The Synod of the Covenant is experiencing serious conflict and dysfunction. At its August 2017 Synod Assembly, amendments to the Synod By-Laws were introduced which would have the effect of disempowering and marginalizing the racial-ethnic caucuses of the Synod from the decision-making processes of the Synod. These by-laws were constructed and presented with little, if any, consultation with the persons directly affected, and with no
consultation with the presbyteries of the Synod. The given rationale was that “When a synod meets, it shall be composed of commissioners elected by the presbyteries” (G-3.0401), disregarding the Synod’s obligation stated in the very same paragraph, “[to] determine a plan for the election of commissioners to the synod, as well as the method to fulfill the principles of participation and representation found in F-1.0403 and G-3.0103; both plans shall be subject to approval by a majority of the presbyteries in the synod” (emphasis added). The proposed by-laws have never been distributed to the presbyteries, nor are they available on the Synod website. The process seems set up to exclude the very voices synods are charged to protect. The proposed by-laws remove racial-ethnic voices from the council commissioned to make decisions for the body between Assemblies, on which persons elected by the Synod (as opposed to the presbyteries) may legally serve (see Request 90-1, Minutes, 1990, Part I, p. 254).

The process for the proposed amendments to the by-laws reinforces perceptions that they are a response to ongoing conflict between the Synod Executive and the racial-ethnic caucuses of the Synod which comprise the Cabinet for Ethnic Church Affairs (CECA). In defending the proposed by-laws at the August 2017 meeting, the Synod Executive allegedly accused those registering objections as being “greedy for power.”

In addition, the qualities of trust and mutuality in the relationships between the presbyteries and the Synod, and presbytery leaders and the Synod Executive, have strained to the point of breaking. The Presbytery of Mackinac was recently blindsided by a request for a called meeting of the Synod to appoint an administrative commission to take original jurisdiction of the presbytery without any prior consultation or inquiry. Only threatened ecclesiastical suits alleging a violation of due process prompted the presentation of a substitute motion limiting the Commission’s powers to inquiry only. No rationale, other than the receipt of four anonymous letters – the contents of which were withheld – were presented for the motion in the call.

Several presbyteries, including Maumee Valley, Scioto Valley, and Detroit have withdrawn some or all of their participation in the life of the Synod. Serious conflicts exist between several presbytery executives and the Synod Executive. Recently all five female presbytery executives refused to participate in an executive forum because of conflicts or concerns involving the synod executive.

There are serious, chronic problems in the dissemination of information from the synod to presbyteries and their leaders. Some presbytery executives have been told directly that they are not permitted at Synod Assemblies. Information regarding the timing and location of upcoming Assemblies, as well as agendas and supporting documents, are neither sent to the executives nor posted on the synod website.

At the November 2017 meeting of the Synod, the Personnel Services Committee indicated they had conducted a job performance review of the Synod Executive and a pay raise was being recommended to the Synod on the basis of that review. Email correspondence documentation indicates that the Personnel Services Committee did not meet in 2017, in direct contrast to their report filed in November 2017.

In November 2017, a question was publicly posed to the Chair of the Personnel Services Committee during a Synod meeting, inquiring if that committee would be willing to meet with the presbytery executives of the Synod of the Covenant. A direct response was deferred. The question was presented on additional occasions in email communication subsequent to the November 2017 Synod meeting, and the response from a Synod officer indicated it was inappropriate to make such a request. In addition, in December 2017, a Presbytery Executive
requested a meeting between Presbytery Executives and the Synod Executive, and that direct invitation was refused by the Synod Executive.

Due to the severity of the issues involved, we believe time is of the essence in conducting this review.

Adopted by the Presbytery of Cincinnati at its stated meeting held in at Madeira-Silverwood Presbyterian Church, Cincinnati, Ohio, on Saturday, February 24, 2018.

Date: February 28, 2018

Subject: Final Report

The Commission for the Fort Street Presbyterian Church (AC) was created at the recommendation of the Committee on Ministry (COM) by the meeting of the Presbytery of Detroit on April 22, 2014.

Recommend that Presbytery appoint an Administrative Commission to be placed in Fort Street Presbyterian Church, Detroit, to settle the disorder as per the Book of Order. The time frame would be 24 months that could be extended at the request of the Administrative Commission. The Administrative Commission should report back to Presbytery in a regular and timely fashion. The Administrative Commission shall have the following duties and powers:

1. To call congregational meetings for appropriate purposes as necessary.
2. If, after a full investigation in which Session is afforded full opportunity to be heard, the Administrative Commission determines that the Session cannot exercise its authority, or is unable or unwilling to manage wisely the affairs of the church, to assume original jurisdiction over any or all functions of the Session, pursuant to G-3.0303e. This shall include assuming control over any Session committee or task force.
3. If, after the pastor, Session, and congregation have been given notice and given full opportunity to be heard, it (the AC) determines that the church’s mission under the word imperatively demands it, the Administrative Commission may recommend the dissolution of the pastoral relationship to Presbytery, pursuant to G-2.0904.

The membership included The Rev. Dr. Elizabeth Downs, Elder Dixie Elam, Elder Harold Ellis, Elder Jean Loup, The Rev. Dr. Louis Prues, and The Rev. Donald Wright.

It is important to recognize that issues of conflict within the Fort Street Church had been reported to COM for more than ten years. Various COM attempts to work with the Session and Pastors to resolve these conflicts were unsuccessful. This lack of success as well as the importance of this congregation to the Presbytery led to the motion to create the AC.

A week later the Chair of COM, The Rev. Philip Reed, convened the group, presenting a charge to guide the AC’s work:

Fort Street Presbyterian Church is a vital and important witness of God’s grace, love, and reconciliation at the heart of the city of Detroit. The Committee on Ministry finds that there is protracted and increasing conflict between the Personnel Committee, Session, Congregation and Pastor. The purpose of the Administrative Commission is to

1. Build trust with Session, Congregation and Pastor,
2. Through prayer and carefully listening to all parties concerned, discern what is happening in the church, paying particular attention to long-term, system issues,

3. And become partners with Session and Pastor to develop ways to address the issues and advance God’s mission in Detroit through the congregation of Fort Street Presbyterian Church.

The Administrative Commission may assume any or all powers of original jurisdiction of the Session.

The document went on to list responsibilities including building trust and demonstrating that the AC is there to work with them. It also included a suggested process and tasks to be accomplished, ending with the need for constant prayer.

At the meeting with Phil, Jean Loup was chosen to chair the AC and the first meeting was called for May 12. It was decided that Beth Downs and Jean Loup would attend the May 7th Session meeting to introduce the AC to the Session. Following the meeting with Phil Reed, Don Wright resigned from the AC and the Rev. Douglas Blaikie was appointed to replace him. Each member of the AC brought unique skills to our work, which proved to be very helpful.

The work of the first year was incredibly intense and claimed much of our time and energy. We met nineteen times and, in addition, conducted ten listening sessions with members of the congregation and staff, and interviewed others, including the Pastor, the Rev. Sharon Mook. As directed by Phil Reed’s memo, we were focusing on listening, learning and building trust. Lou Prues put it this way, “Listen, listen, listen, build trust, listen, listen, listen, build trust ....”

Early on Dixie Elam shared a number of documents that prior efforts at working with the Fort Street Church had generated. Two members of the AC reviewed Session minutes for the past ten year and two others the Presbytery files on the Church. We also focused on communication, both within the AC and with the Session and Pastor. As part of our communication plan we decided that all members of the AC would attend all Session meetings.

As time passed, we began to identify issues that would need to be addressed. Both the review of documents and the listening sessions were helpful in this effort. The relationship between the congregation and the pastor, not only the current pastor but those who served before, was identified early on as needing attention. Other issues included the Session committee structure, fiscal and personnel processes, and the relationship between various programs (Open Door, the Chorale, and weddings) and the Church. In the latter matter it seemed that commitment was stronger to the program than to the overall church.

In mid-September, two members of the AC met with Sharon Mook to share the results of the listening sessions and the AC’s initial observations of the situation at Fort Street. After some discussion, it was agreed that Sharon would prepare a document, outlining her responses with suggestions for future action. We also agreed that this document would provide the basis for discussions with the entire AC in mid- to late-October. At this second meeting the conversation began with Sharon’s document and continued until we agreed to meet again. At the third meeting, Sharon announced her intention to resign as Pastor of Fort Street.
Planning for the transition began immediately. The Session accepted the resignation and the severance package, which the AC had negotiated, and agreed that Sharon’s last Sunday would be December 14, 2014. The Rev. Dr. Sue Ellis Melrose accepted a three-month half-time temporary stated supply position, starting on January 4, 2015, to provide stability while a search could be conducted for a longer-term appointment.

The AC also invited an organizational consultant, Dr. Roland Loup, to meet with us on November 24, 2014, to discuss issues related to organizations in crisis and to hear suggestions on how to address the various issues. He emphasized that we need to be clear what our purpose is right now and answer the question, “What will be different?” Our role was to help them to health, moving forward together. It was a two-hour conversation that was very useful.

We met with Sue Melrose once each month to get updates on what was going on at Fort Street. We were especially pleased with her sense of calm which helped reduce conflict within the Session. There were a number of issues that she handled early on, especially the concern about fiscal processes and a restructuring of the Session. In addition, she provided helpful insights into the congregation, the Session, the tie between Fort Street and the city of Detroit, and some personnel matters.

By February we had moved forward on the appointment of a six-member Stated Supply Search Committee, three from the AC, including the chair, and three from the Session. The three from the AC were Beth Downs, Dixie Elam, and Harold Ellis, with Beth serving as chair, and those from the Session were Tom Edwards, Hedi Mulford, and Mark Topping. The Committee began work immediately. The Search Committee completed its work in April with the recommendation of The Rev. Dr. Robert Agnew as Temporary Stated Supply, an appointment greeted with appreciation by both the AC and the Session.

Now and then we had to remind ourselves to trust the process, to not get ahead of ourselves, to be patient. This was especially true during the two months between the time Sue Melrose left in early April and the arrival of Bob Agnew in early June. The level of anxiety apparent among the Session members and the congregation led to a return to past behaviors, which were seldom productive. Doug Blaikie moderated the May Session meeting and with Lou Prues continued the Session training begun by Sue. We also discussed the importance of waiting for Bob Agnew before taking action on significant changes was critical. It is unclear they agreed with us, but acquiesced.

Great was the sense of relief we all felt when Bob began his ministry at Fort Street. It was clear our work was not over, but we now had a long-term, full-time pastor addressing issues as they arose and consulting regularly with us. Our role became more one of monitoring and advising than of hands-on effort, and so we decided to change our attendance at Session meetings to two AC members instead of all. It was probably about this time that we began to like working with this Session. There was a new sense of cooperation as Bob and the Session moved forward together.

Over the next six months Bob and the Session approved the hiring of QuikBooks, an accounting firm, to manage the financial details and an Operations Manager to oversee the day-to-day financial matters and also dealt with an insurance claim for the damage to the steeple from a lightning strike.
They also accepted the resignation of the Open Door manager. Other issues Bob identified to the AC included the organist, attendance at worship, facilities, and parking. He also pointed out the need to change the view of the church as several programs to that of “one church.” Together we decided that the AC would handle a difficult personnel situation that had existed for some time before Bob arrived.

In the fall we began talking with Bob about the need for an outside consultant. After considering a number of options, it was decided to approach Roland Loup to conduct a day-long retreat for members of the Session and Deacons. The planning group included Bob, Beth from the AC and a couple of members of both the Session and Deacons. It was hoped the retreat would accomplish the following outcomes: 1) a common understanding of the current state of the church; 2) agreement on short-term (to the end of 2016) objectives that the church leadership would guide to move the church forward; and 3) agreement on responsibilities for leading actions to achieve these objectives.

The Retreat was held in April 2016 with almost all Elders and Deacons in attendance. There was lots of active engagement in discussion, identifying areas of strength and areas to be targeted. Four areas were identified for further small group/committee work by elder and deacon teams. In general the responses to the day were very positive; they liked the ability to actually talk with one another and work toward common goals. There was a growing realization that they are one church with many interests. In other words it was as if they realized for the first time they were charged with working together for the benefit of the Fort Street Presbyterian Church. Later it was agreed that Roland would be invited back for a meeting later in the fall for follow-up discussions. It too generated positive discussion and a new sense of energy.

In September 2016 the entire AC met with the Session at their regular meeting to talk about the future. We told them that much of the work that we’d been doing with them would be the fairly normal work done by a congregation as it prepares for calling a new pastor. However, the history of conflict with the pastor and within the congregation is long, longer than just one pastor or within just one program of the church. So in some ways the AC was charged with changing the culture of the Church. There are still questions to be pondered, but the AC was ready to agree to establish a Search Committee for an Interim Pastor to begin work in January.

The Interim Search Committee including Fort Street members Camille Cooke, Tom Edwards, and Craig McLean and AC members Lou Prues and Jean Loup began meeting in January 2017. Working closely with the Committee on Ministry, the Search Committee reviewed the process of calling an interim and then began telephone conversations with candidates in mid-March. There were moments of frustration as candidates withdrew or were seen as not being a good fit. In mid-summer we were given the names of a couple who were considering interim ministry.
Meanwhile Bob Agnew had resigned effective in early April and Neeta Nichols stepped in to moderate the Session and be present in the church one day each week. Unlike the two months in 2015 without a pastor, all went well.

In August the Interim Search Committee interviewed the Rev. Anne and Eric Lange, first in a conference call and then in person. We were impressed with the skills they would bring to Fort Street, maybe not the traditional interim skills, but Fort Street is not your typical congregation. We were also pleased with their sense of call and their energy level. In early September they accepted our offer with a mid-October start-date and the Search Committee and the AC were elated.

Having met with Anne and Eric twice and observed them as they work with the Session, the Administrative Commission now believes our role is at an end. We ask that this report serve as our final action and that the Commission be dismissed.

We owe thanks to a number of individuals and groups. High on our list are the pastors who served Fort Street during this almost-four year journey, Sue Melrose, Bob Agnew and Neeta Nichols. We also want to thank the Presbytery’s Board of Trustees for setting up an account for our use; it helped primarily with the expenses of the consultant we brought in. And, last we want to thank all those who served on the Fort Street Session over these years and the congregation. Their willingness to work with us will forever be appreciated. Most of all we need to thank God for all the blessings and support we knew we were receiving all these months.
The Commission to ordain Jacqueline Suzanne Spycher as Assistant Pastor of Outreach of Northbrook Presbyterian Church to the ordered ministry of (teaching elder for ordinations without installation) was convened with prayer by the moderator, Rev. Dr. John Judson, at 4:00 p.m., on Sunday, January 14, 2018, at Northbrook Presbyterian Church. The Commission members present were:

The Rev. Marjorie Wilhelmi  Teaching Elder of Northbrook Presbyterian Church
The Rev. Renee Roderer  Teaching Elder of Nones and Dones
Bill Jordan  Ruling Elder of Northbrook Presbyterian Church
Harold Ellis  Ruling Elder of St. John’s Presbyterian Church

After approving the order of worship, the Commission proceeded to worship, where it ordained as Jacqueline Suzanne Spycher of Northbrook Presbyterian Church to the validated ministry as Minister of Word and Sacrament. In the course of the ordination service, Jacqueline gave affirmation to the obligations undertaken in the ordination questions found in W-4.4003. Upon conclusion of the worship service, the commission and congregation were dismissed with prayer and benediction by Rev. Spycher.

EQUALIZATION OF ELDER COMMISSIONERS
PRESBYTERY OF DETROIT
April 2018-APRIL 2019

The Book of Order requires the Presbytery to establish a plan to ensure there is parity at Presbytery meetings between teaching and ruling elders. The intention is to ensure that the number of ministers and elders is equal. G-3.0301

The Book of Order authorizes Presbyteries to assign certain representation according to the size of the church. By policy, the Presbytery of Detroit has given precedence to churches that have a majority of members who are an ethnic minority.

The number of ministers reported last year was 156. I report the number of active ministers this year as 145. I count the number of active ministers as those on the active roll who are resident in the area, plus those on the retired roll who are active in the life of Presbytery. I measured the latter by counting those retired ministers who are on a Presbytery committee, who have a position of some kind in a local congregation, or who attended a meeting last year.

The far-right column represents the number of commissioners a church should elect for the period March 11, 2018 to April 30, 2019. Commissioners should report this new figure to Session so the proper number will come to the June meeting.

   Property located in the City of Wyandotte, Michigan described as:
   - Lots 254 and 255 also 291 and 292 and the West 36.70 feet of 293
   - “Assessor's Wyandotte Plat No. 12”, City of Wyandotte, Wayne County, MI as recorded in the Liber 69, page 65 of Plats, WCR Containing 1.419 Acres of Land,
   - also known as 2250 Oak Street and 2809 23rd St., Wyandotte, MI,
   - to Ronald A. Jones for $360,000 cash payable on closing.

   The reason the sale was approved on behalf of Presbytery was the buyer insistence that the sale be on a specified date before the next Presbytery meeting.

2. The Trustees approved on behalf of Presbytery of Detroit the purchase by Milford Presbyterian Church of a lot with restaurant facilities down the street from the Church, described as follows:

   Land situated in the Village of Milford, Oakland County, Michigan, being more particularly described as follows:

Together the parcels are commonly known as 210 North Main Street, Milford, Michigan 48381

Tax Parcel No. LM-16-11-155-015

from ROBERT J. ELIASSEN & SONS on a land contract with the following terms:

(a) The purchase price for the Property (the "Purchase Price") is Six Hundred Thirty Thousand Dollars ($630,000). The Purchase Price shall be payable as follows:

(i) At the consummation of the transactions contemplated herein (the "Closing"), Purchaser shall pay to Seller Five Thousand Dollars ($5,000) (the "Down Payment"); and

(ii) The balance of the Purchase Price shall be payable pursuant to a land contract in the form attached to the sales agreement as Exhibit B to be executed at Closing by Seller and Purchaser (the "Land Contract").

(b) The purchase price for the Equipment (the “Equipment Price”) is Forty-five Thousand Dollars ($45,000). The Equipment Price shall be paid in full at Closing.

The Trustees approved this on behalf of the Presbytery because they need to close the transaction. The Trustees decided that no policy was needed, but that it would be appropriate to prepare a list of services.

3. The Trustees voted to approve on behalf of the Presbytery of Detroit the sale of property of St Timothy Presbyterian Church to Infinity Homes, Inc., on behalf of an entity to be formed, as follows:

Property situated in the City of Livonia, Wayne County, Michigan, described as follows:

4.4 +/- acres of vacant land adjacent to and a part of 16700 and 16600 Newburgh Road, Livonia, Michigan 48154 with Sidwell Numbers 46-066-99-0007-000 (this Sidwell number will require a land division) and 46-066-99-0008-000, more particularly described on Exhibit A and D (appended to the minutes),

together with all improvements and appurtenances, if any, now on the Premises, subject to existing building and use restrictions, easements, conditions, restrictions and encumbrances, if any, matters of record, matters which would be revealed by an accurate survey, and zoning ordinances upon the following conditions:

The purchase price for the Premises shall be the sum of Four Hundred Thirty Thousand and 00/100 Dollars ($430,000.00) (the "Purchase Price").
The Purchase Price shall be paid in full by certified funds or wire transfer at closing.

The Trustees approved this on behalf of Presbytery because the property is being sold to a developer who wishes to begin construction on the property before the next scheduled meeting of Presbytery.

4. Re: 3530 Grand River:

Mr Edwards refused to vacate the building, requiring the Trustees to file suit to evict him from the building. The hearing was in April. Mr Edwards had no attorney and could not represent Barnabas before the court, so Mr Edwards and our attorney entered into a negotiation that resolved the matter, which Trustees voted to accept. Mr Edwards is to be out by 5/15. There is other property in the building—golf clubs—and the Trustees will contact the owner so he can get them.

The building needs to be cleared. The Trustees have acted to clear the building and market it as is. To date, we have spent roughly $77,000 over the years: roof, windows, loan, legal fees, etc, and expect to incur more costs. These costs will be taken from proceeds for the sale of the building.

The Trustees note that the “amendment” made to their information report at the March meeting, replacing “the funds” with “participating in the process for determining the recommendation of the Trustees” was what they intended. The Trustees further note that anyone who wishes to attend the various meetings where this will be considered is welcome to attend.

5. The Trustees have voted to grant publisher Adam Matthew Digital the rights to include *Tasty Teasers* by Katherine McGregor and the Auxiliary of the Woodward Avenue Presbyterian Church in a book they are preparing, *Food and Drink in History*, scheduled for publication in August 2019. The Trustees requested a copy of the book when it is published.

RE: Search Process: Accounting Manager

The following summaries the process used to select a new Accounting Manager for the Presbytery of Detroit (POD). The search Committee included the following:

Operations: Harold Ellis and Rob Allen
Audit Committee: John Binion
CPM: Mike Gaubatz
Ex Officio: Al Timm, Head of Staff

We requested posting/posted the position as follows:
Wayne State University
University of Michigan
University of Michigan Dearborn
POD website
POD bulletin board
Clerks of all POD churches
Ziprecruiter.com (at the suggestion of POD auditor, Anita Tellis, owner of a minority CPA firm in Detroit)
Randstad Professionals, Troy MI. They contacted us after seeing the Ziprecruiter.com ad.

Applications received:
Ziprecruiter.com: 24
Randstad Professionals: 5

The online description included two very specific questions (that were added). First, do you have fund accounting experience and second to you have knowledge of MIP (accounting software). I engaged in email conversations with some candidates and spent extensive time on
the phone with Randstad Professionals to determine whether candidates had fund accounting experience and knowledge of MIP.

Most of the candidates were eliminated because they had no fund accounting experience. After review of the remaining candidates, the committee interviewed two applicants. One from Ziprecruiter.com and one from Randstad Professionals.

Please note: the pool of candidates was racially/ethnically diverse and male/female particularly because of the locations chosen to post (e.g. Wayne State University and University of Michigan, Ann Arbor and University of Michigan Dearborn). One African-American male with extensive experience took himself out consideration because the job was too “low level” for his experience. He also told me the job description was misleading.

The candidate chosen was Sarah Leight. She received a Master of Accountancy from Walsh College. Her undergraduate degree is from Case Western Reserve University in Mechanical Engineering. She is member of Northminster Presbyterian Church where she is the Treasurer (she plans to leave that post). She was hired because of her capacity to learn software and her knowledge of accounting. The committee will work with Ms. Leight and the POD staff to ensure (1) MIP training takes place immediately and (2) her immersion into the fund accounting conducted by POD is thorough and extensive. She starts on April 10, 2018.
Matthew Morse was convicted by the Permanent Judicial Commission of the Presbytery of Detroit of sexual misconduct and abuse of alcohol on June 2, 2012 and was temporarily excluded from the ordered ministry of teaching elder for a minimum of 5 years. The Permanent Judicial Commission in its order required certain steps and demonstrations be made for restoration, and that he present proof he has accomplished them. These steps include proving “to the satisfaction of the Presbytery, that [Mr. Morse] has addressed [his] serious emotional issues (particularly [his] persistent anger issues) and [his] persistent issues of substance use and abuse.” Furthermore, the Commission recommended that the Presbytery “carefully consider the extent to which Rev. Morse has sought and successfully completed professional treatment for these issues, the length of that treatment, and objective evidence of rehabilitation before approving any application for restoration submitted by Rev. Morse.” In 2017, Mr. Morse petitioned to be restored to active ministry.

On January 23, 2018, the Presbytery of Detroit created an Administrative Commission to hear and act on Mr. Morse’s petition. The resolution assigned the following duties and responsibilities to the Commission:

1) It shall review the case decided by the Permanent Judicial Commission.
2) It shall review other relevant materials relating to Mr. Morse.
3) It shall review the behavior of Mr. Morse while under suspension.
4) It shall grant Mr. Morse all rights of fundamental fairness afforded in administrative hearings. These rights shall include at least:
   a. Informing Mr. Morse of all the issues that he must address.
   b. Giving Mr. Morse time and opportunity to respond to the issues.
5) It shall grant Mr. Morse a hearing for him to present his petition and proofs, at which he shall be afforded the right to have a (Presbyterian) counsel and an advocate.
6) It shall hear testimony of anyone wishing to speak for or against Mr. Morse’s petition.
7) It shall decide on behalf of the Presbytery of Detroit whether he shall be restored to the ordered ministry of teaching elder, and if not to be restored at this time, to set criteria and procedures for his restoration within one year. This shall include the body that shall supervise his compliance, and the consequences of his failure to satisfactorily complete the requirements. One of the consequences of his failure after one year to satisfy the requirements as reported by the supervising body may be that he will be declared to have renounced the jurisdiction of this church pursuant to G-2.0509.
8) It shall report its decision to Presbytery at the first meeting after the hearing.

The Commission has reviewed all the relevant documentation regarding this case, which is appended to this report.

The Commission provided Mr. Morse with the documents it had regarding this case, informed him that he had the right to an advocate and a Presbyterian counsel, and set a deadline for Mr. Morse and the Commission to provide all evidence and the names of all witnesses that would be considered.

On May 23, 2018, the Commission held an open hearing on Mr. Morse’s petition at the Presbytery office. Mr. Morse attended, as did the members of the Commission. There were also others who came to observe. At that hearing, Mr. Morse was given the opportunity to present anything he desired in support of his petition. Members of the Commission questioned Mr. Morse on his
presentation, his intention, on his activities, and steps he had taken to comply with the order of the Permanent Judicial Commission.

Following this hearing, the Commission held follow-up conversations with Mission Presbytery General Presbyter Sallie Watson and Licensed Pastoral Counselor Intern James Anderson.

The Commission has found the following to be true:

- That Matthew Morse acknowledges the errors of his ways and is repentant for the harm he has done to others resulting from his actions.
- That Matthew Morse has established a strong support network of family and friends since moving back to Texas where he now resides and that he has remarried and has a family.
- That during the time of his censure, Matthew Morse has been actively engaged in his community through several organizations such as Rotary Club, Children’s Advocacy Center, River City Advocacy, and the Chamber of Commerce; that he and his family have become actively involved in a Methodist church; and that he has been employed as a manager at a family-owned Honey Baked Ham store.
- That Matthew Morse has been working with Mr. Anderson to identify causes for anxiety, which he believes led to alcohol abuse and anger issues; and that with the help of this professional, he is learning and applying skills to overcome his anxiety and focus on a more stable and healthy marriage; and that at the time of his hearing, he had seen the counselor 6 times.
- That Mr. Anderson believes that Mr. Morse is making significant progress toward managing his anxiety issues with the help of his strong support system; and that Mr. Anderson believes that Mr. Morse does not exhibit signs of substance abuse.
- That the General Presbyter of Mission Presbytery in Texas indicated the willingness of the Mission Presbytery to offer support, but that she was unsure of their authority to exercise oversight because Mr. Morris is not a member of their presbytery.
- That Matthew Morse did not seriously seek professional help to address the terms of his 5-year censure until October 2, 2017, and that he then filed for reinstatement on December 19, 2017, approximately 6 months prior to the termination date of the censure period.
- That Matthew Morse did repeatedly violate the terms of his temporary exclusion from ordered ministry by preaching at several different churches in Texas.
- That Matthew Morse continues to drink socially but infrequently and believes that his use of alcohol is under control.

The Administrative Commission applauds Matthew Morse on his progress and determination to date. He has shown improvement since beginning to seriously address the issues identified in the terms of his censure and demonstrates a much greater self-awareness. It appears that he has established a strong support network among colleagues, friends, and family there in Texas. In addition, he has secured the willingness of the Mission Presbytery to support his efforts toward better self-care. We affirm his involvement in serving the community through the various organizations mentioned above. However, given the short time that he has endeavored to comply with the terms of his censure and even violated those terms with regard to his preaching of the Word, this Commission finds that Mr. Morse has not demonstrated an ability to manage the issues raised in his censure over an extended period of time since obtaining treatment. Therefore, after deliberation, the Commission has unanimously voted not to restore Mr. Morse at this time. It gives him one year from the time of this Presbytery meeting to demonstrate his ability to continue to address these issues by complying with the following directives:
• Mr. Morse will continue counseling and therapy at least monthly for four months, and then every other month for the remainder of the year.
• Mr. Morse will refrain from preaching any sermons during this one-year term, or performing any of the other duties associated with the ordered ministry of teaching elder.
• Mr. Morse will avail himself of resources offered by the Mission Presbytery in establishing and improving his relationship with this Presbytery in preparation for a transition to its oversight.

Mr. Morse will be monitored and supervised regarding his compliance with these directives as follows:

• This Commission asks the counselor whom Mr. Morse has been seeing to report on his progress after 6 months and again at the end of the year, and to notify this Commission immediately if there is anything that could change the direction of his treatment.
• This Commission asks the Mission Presbytery to report to this Commission after 6 months and again at the end of the year, on its knowledge of Mr. Morse’s activities within the Presbytery, the extent to which he has availed himself of Presbytery resources, and the cultivation of his relationship with the Presbytery, as well as any concerns that may arise during this period.

Note: This Commission is concerned about Mr. Morse’s continued social drinking in light of his history of abuse, but we are not able to monitor these actions. Therefore we encourage him to take the matter of his drinking, even socially, more seriously.

If Mr. Morse has not petitioned for restoration and provided proof of his compliance to this order, the Presbytery of Detroit shall consider that he has renounced the jurisdiction of the Presbyterian Church (USA) and the Presbytery of Detroit, and shall be stricken from the roll.

The Commission is not asking to be dissolved at this time, but will remain in place until Mr. Morse complies with this order or does not. This Commission expects to report back to the Presbytery with a final recommendation at the June 25, 2019 meeting of the Presbytery.

RE: PJC Decision No. 2012-1

Dear Rev. Koster,

On June 2, 2012, the PJC unanimously accepted my guilty plea of offenses contrary to Scriptures and the Constitution of the Presbyterian Church (U.S.A.). Specifically, the offenses of sexual misconduct and continued misuse of alcohol in violation to the Scriptures. The result was a censure and temporary exclusion from the practice of ministry for a minimum of five years and until I could demonstrate to the Church’s satisfaction that I have addressed the issues leading to said offenses. I am writing to you today to avow that I have addressed these issues and to respectfully submit my application for restoration into the Presbytery, with the goal of then, upon restoration, having my membership transferred to my current Presbytery of residence, Mission Presbytery.

When the PJC made their decision regarding my case, I had been living in Texas for over a year, choosing to resign my position at Southminster Presbyterian Church, Taylor, in early March 2011, rather than be placed on administrative leave. The incident of sexual misconduct itself took place over a year prior to that as well. I mention this to say that in fact it has been nearly eight years since the incident that led to the charges for which I pled guilty so to begin the timeline. I also lost my driver’s license due to driving while under the influence. This occurred in January of 2009. Beginning in 2009 and through April of 2011 when I relocated to Texas, I attended AA meetings on a regular basis, many of the records of which I have available if the Presbytery would like to see copies. While AA was helpful to me, I admit that I was in a very lonely, isolate place personally probably from a time early in my marriage in 2004 and through the subsequent divorce. I should have done more to address this and other consequential issues. I made some very poor choices and committed acts contrary to Scriptures and my ordination vows by my decision to drink to excess and put myself in the position where I engaged in an act of sexual misconduct. I am very remorseful and sorry for this. I regret whatever harm it caused to the congregation I served.

Since relocating to Texas, I have met the love of my life, who is now my wife, Ashley, and the mother of our two young children, Ethan and Brynn. I have reconnected with my parents and my brother and his family in ways I wished so much I could have from a distance. To be present at my wife and children’s baptism earlier this year at the church at which we worship was a highlight of my life and a moment I will never forget. And still, I have this past behavior that I must, and want, to atone for. I know that I let down my congregation and my colleagues in ministry. I know that I deeply hurt the woman (and her family) against whom I committed the offense. I wish it hadn’t happened.

This past fall I met with the General Presbyter of Mission Presbytery here in the San Antonio area which I now call home. I was feeling the “tug” that I should seize this moment to seek restoration in the church and, if it be God’s plan, that I would return to active ministry in some capacity. She suggested I reach out to Rev. Timm, who even through this time has been a caring Executive, checking in on my wellbeing. To my grateful surprise, the timing of all this concurred with an invitation from the Session of Southminster Church and its pastor that I might be a part of their 60th Anniversary celebration. I gladly, with the approval of the COM, accepted and not only got to be a part of a wonderful worship event but took that occasion to meet up with Rev. Timm and talk about my intentions for restoration and for the future. The encouragement I received from everyone that weekend only strengthened my resolve to
reach out to the PJ and to you, Rev. Koster, and ask that my application for restoration into active ministry in Detroit Presbytery and the Presbyterian Church (U.S.A.) be prayerfully considered.

Since resolving that God is calling me back into active ministry, and wanting to do everything I can to prove my readiness and fitness, I have begun seeing a professional therapist at the recommendation of the General Presbyter of Mission Presbytery, Rev. Sallie Watson. I have copied her on this email so that you will know how to get a hold of her if you have any further questions to her. She supports my decision to at this time ask for restoration, and would support my immediate transfer into Mission Presbytery. My time back in therapy, while brief, has reinforced my belief that I am in a healthy place, ready to serve the church again, and a reminder of how, despite past misconduct, that in God’s hands I am redeemed, and loved, and capable of doing great things in His name. I have attached to this correspondence a letter from the counselor I currently see, and I hope that will be helpful in the Presbytery’s decision to act on my request. If I can be helpful in any other way, please let me know.

It was my great joy to serve the congregations at First, Ann Arbor, and Southminster Presbyterian, and the Presbytery of Detroit. I am forever grateful for that time and ask that you would pass that along to whom it may concern, as well as my request for restoration into active ministry in the Presbytery, and the Presbyterian Church (U.S.A.).

Warmest regards,

Matt Morse

Re: Matthew B. Morse

To Whom It May Concern:

I am writing today to confirm that I have seen Matthew Morse in therapy on 10/2, 10/10, 10/18, 11/1 & 12/14. Matthew is always on time and participates fully in therapy. He demonstrates excellent insight and a desire to succeed in both work and family life. He is taking the necessary proactive steps to ensure such.

Matthew reports no substance abuse and I do not see any sign of abuse of any substances. He has demonstrated the employment of healthy self-soothing techniques to deal with anxiety as it arises. I am confident he will succeed in whatever endeavors he undertakes in the future.

Sincerely,

______________________________

CHARGE

The Presbyterian Church (U.S.A.) charges you, Rev. Matthew Morse, a member of the Presbytery of Detroit, with the following offense(s):

ABUSE OF ALCOHOL

An offense is any act or omission by a member or officer of the church that is contrary to the Scriptures or the Constitution of the Presbyterian Church (U.S.A.). The abuse of alcohol is contrary to at least the following passages of Scripture (NRSV):

Luke 21:34 - Be on guard so that your hearts are not weighed down with dissipation and drunkenness and the worries of this life, and that day catch you unexpectedly,

Ephesians 4:22-24 - You were taught to put away your former way of life, your old self, corrupt and deluded by its lusts, and to be renewed in the spirit of your minds, and to clothe yourselves with the new self, created according to the likeness of God in true righteousness and holiness.

Ephesians 5:15-18 - Be careful then how you live, not as unwise people but as wise, making the most of the time, because the days are evil. So do not be foolish, but understand what the will of the Lord is. Do not get drunk with wine, for that is debauchery; but be filled with the Spirit,
Proverbs 23:29-35 - Who has woe? Who has sorrow? Who has strife? Who has complaining? Who has wounds without cause? Who has redness of eyes? Those who linger late over wine, those who keep trying mixed wines. Do not look at wine when it is red, when it sparkles in the cup and goes down smoothly. At the last it bites like a serpent, and stings like an adder. Your eyes will see strange things, and your mind utter perverse things. You will be like one who lies down in the midst of the sea, like one who lies on the top of a mast. “They struck me,” you will say, “but I was not hurt; they beat me, but I did not feel it. When shall I awake? I will seek another drink.”

Romans 1:22-25 - Claiming to be wise, they became fools; and they exchanged the glory of the immortal God for images resembling a mortal human being or birds or four-footed animals or reptiles. Therefore God gave them up in the lusts of their hearts to impurity, to the degrading of their bodies among themselves, because they exchanged the truth about God for a lie and worshiped and served the creature rather than the Creator, who is blessed forever! Amen.

1 Timothy 3:2-3 - Now a bishop* must be above reproach, married only once, temperate, sensible, respectable, hospitable, an apt teacher, not a drunkard, not violent but gentle, not quarrelsome, and not a lover of money.

*G-6.0202a. The person who fulfills this responsibility has, in Scripture, obtained different names expressive of his or her various duties. As he or she has the oversight of the flock of Christ, he or she is termed bishop.

Each specific charge of Abuse of Alcohol is numbered below and sets forth the conduct that constitutes the offense. The document includes six (6) separate charges of Abuse of Alcohol.

To the Southminster Faithful:

For the past six and a half years I have had the privilege of serving as your pastor. I could never express adequately my gratitude for the opportunity and experience. For some time now, however, I have recognized my need to relocate to Texas where I can be closer to my family. It is to that end that I will no longer serve as your pastor effective immediately. I have only the greatest hopes and expectations for this wonderful congregation as you move into the future God has already prepared for you.

The peace of our Lord Jesus Christ be with you all.

The Commission heard testimony from the current interim pastor of Southminster Church of Taylor and received as exhibits in the form victim impact letters concerning the degree of censure.

Thereafter, the Commission unanimously approved the following terms of censure:

Whereas, you, Rev. Matthew Morse, have been found guilty of the offenses of Sexual Misconduct and Misuse of Alcohol in Violation of Scripture, and by such offenses you have acted contrary to the Scriptures and the Constitution of the Presbyterian Church (U.S.A.); now, therefore, the Presbytery of Detroit, in the name and by the authority of the Presbyterian Church (U.S.A.), does now declare you temporarily excluded from ordered ministry as a teaching elder for a minimum period of 5 years, and said period of temporary exclusion continuing until after you have applied for restoration to the Presbytery of Detroit and can also prove, to the satisfaction of said Presbytery in conjunction with said application, that you have addressed your serious emotional issues (particularly your persistent anger issues) and your persistent issues of substance use and abuse, moreover this Commission recommends that the Presbytery of Detroit carefully consider the extent to which Rev. A Covenant of Support
Between Grosse Pointe Memorial Church,
the Second Mile Center, the Presbytery of Detroit and Ruth Azar

Whereas Ruth Azar is a ruling elder in the Presbyterian Church (USA), a member of Grosse Pointe Memorial Church (GPMC), under care of the Session of GPMC and executive director of an outreach ministry supported by GPMC;

and in order to expand and deepen the ministry of Ruth Azar at the Second Mile Center (SMC) of Detroit by providing her with a supervisory relationship to satisfy the Committee on Ministry (COM) of the Presbytery of Detroit’s (PoD) requirements of a validated ministry for a Certified Ruling Elder (CRE);

The Session of GPMC, in consultation with the Committee on Ministry of the Presbytery of Detroit, enters into a covenant of support with Ruth and the SMC. This covenant of support includes but is not limited to the following:

1.) Responsibility for and indirect supervision of the worship life of SMC by the Session, including responsibility for the approval of the administration of the Sacraments at the SMC by Ruth.
   a. When baptisms are requested, Ruth Azar will take responsibility for preparation for baptism. This will include parents/guardians or grandparents or sponsors of the person to be baptized if that person is under the age of 12.
   b. Those who are baptized will be entered into the rolls of GPMC.
   c. GPMC will assume the responsibility for per capita payments for people baptized through the SMC.
   d. Communion will ordinarily be celebrated on regular, set dates approved by the Session of GPMC. Any additions or changes are subject to Session approval.
   e. GPMC will provide a ruling elder and/or deacon from its membership or an appropriate representative (ruling elder and/or deacon or Minister of Word and Sacrament from another PCUSA congregation) whenever a sacrament is administered.

2.) A yearly visitation by Ruth with the GPMC Session and Liaison from the Committee on Ministry in order to renew the covenant and to determine other ways, if appropriate and approved, that GPMC could supervise and support the worship life of the SMC.

3.) Pastoral support and guidance of Ruth’s ministerial role (worship and sacraments) at the SMC, including consultation on pastoral care, through at least 6 contact hours a quarter with members of the pastoral staff of GPMC.

4.) In support of this covenant, the Presbytery of Detroit through its Committee on Ministry will appoint a liaison who will be in communication with Ruth Azar, the Session of GPMC, and SMC to facilitate the flourishing of this ministry.
This covenant shall be renewed annually by all parties named above. It does not interfere with or eliminate the need for financial and administrative oversight of Ruth and the SMC by a SMC Board of Directors. Said Board is still responsible for all other activities and personnel of the SMC and any legal, financial and insurance liabilities related to its work. While a member of GPMC and under the supervision of the Session, this covenant does not grant to Ruth any status as a member of the staff nor any compensation, benefits, titles, rights or privileges normally accorded to a GPMC staff member.

As a Commissioned Ruling Elder serving in this validated ministry, Ruth Azar will be responsible for abiding by the terms of the Sexual Misconduct Policy and Procedures of the Presbytery of Detroit, and the terms of the Statement of Professional Ethics of the Presbytery of Detroit. Ruth will be responsible for regularly reviewing and following any changes in these two policies, including signing forms when required.

This covenant is contingent upon the continuation of the covenant between the SMC and the PoD and Ruth’s continued status as a CRE. This covenant/contract may be terminated at any time by mutual agreement of the parties listed above with one month’s notice, provided there is prior consultation with and eventual concurrence by the Committee on Ministry.

The termination of that covenant or the discontinuation of her certification as a CRE would terminate this covenant between the Session of GPMC, Ruth, the PoD, and the SMC.

This covenant and contract is for a period of one year beginning on July 1, 2018 and maybe renewed thereafter by mutual agreement of all the parties involved for up to one year at a time.

Coordinating Cabinet
Stefanie Lewis reported for the Coordinating Cabinet.

The Coordinating Cabinet recommends Presbytery:
1. The motion was made to approve the 2019 Mission Celebration Budget. (Appended to the minutes.)
   The motion was made by Ms Denton in line 230 campus ministry to strike 77,577 and insert 97,577. The amendment was interpreted by the Moderator to increase the deficit. The motion was not approved y39; no 43.
   Upon motion of Roederer Presbytery voted to amend the Budget to restore $10,000 to the EMU campus ministry.
   The main motion was approved as amended.
   Approval of the budget constitutes the approval of a $1.00 increase in the Presbytery per capita (to $16.35)

2. Approve amendments to the Sexual Misconduct Policy, Policy P-4 as follows:
   Non-Substantive Changes can be found on pages 2- 4, 6 -10, 12, 14-18.
   There are several recommended changes that are more substantive. They include:
   - Page 3, Expand definition #7 , inappropriate use of the internet to also include technology and social media.
• Page 4, Regarding Presumed Consent, changes in this paragraph attempt to clarify pastor church member/participant relationships, as one that begins at church. The policy has been returned to the stronger “shall” language in regard to pastor church member/participant relationships. PRT unanimously agreed that “shall” language is necessary here due to the imbalance of power that exists in these relationships. The #metoo and #churchtoo movements should serve to remind us how important it is maintain good healthy professional boundaries, the “shall” language in this part of the policy clearly states that professional boundary.

• Page 6, Recommend changing from an annual policy review to “at least every three years” to allow for in-depth policy reviews and potentially substantive changes.

• Page 8, Added to ensure and protect the pastoral relationship and confidentiality.

• Page 9, This change seeks to have clergy, like other professions, maintain their own professional credentials. This addition would not alter the Presbytery’s responsibility to maintain records as well.

Rationale:

The current POD Sexual Misconduct Policy requires that the Pastoral Response Team, a workgroup of COM then looks at the policy and makes recommendations to Coordinating Cabinet for Presbytery’s final consideration. Most of the changes recommended this year are not substantive changes but rather no longer apply, reflect Book of Order changes, or ensure language consistency between the policy and the signatory page.

The Policy is appended to the minutes.

3. Approve the celebration of the Lord’s Supper at the Pastors in Transition Retreat on October 29-30 at the St Francis Retreat Center.

The Coordinating Cabinet reported the following for the information of Presbytery:

1. Mr Timm reported on the search for the associate executive has had 30 applications and are now in the phase of face-to-face interviews.

2. We are seeking someone to fill a ½ time administrative assistant for Committee on Ministry & Committee on Preparation for Ministry. This person would keep track of the records (sexual misconduct training, background checks, etc) and persons. The job description is appended to the minutes.

3. The Coordinating Cabinet heard a report that the Grand River property that it is in our possession, that it has been cleared of all equipment, and that the Trustees are in the process of preparing it for listing.

4. The Coordinating Cabinet has reviewed the 2017 Audit, which will be presented for adoption by the Treasurer.

5. Jacqueline Spycher has been selected for the new position of media consultant. The report of the Search Committee is appended to the minutes.

Treasurer Timothy Ngary reported.

Mr Ngary presented his report.

Upon motion of Mr Ngare, Presbytery voted to adopt the 2017 Audit. (Appended to the minutes)
Omnibus motion.

Upon motion of the Stated Clerk Presbytery voted to:

The Committee on Ministry recommends that the Presbytery act as follows:

1. **Designate an Administrative Commission** to work with the First Presbyterian Church of Ann Arbor, Michigan, with the following function, powers, and responsibilities:

   **Function:**
   The commission shall visit the First Presbyterian Church of Ann Arbor, which has been reported to be affected with disorder, and inquire into and settle the difficulties therein. (G-3.0109b(5))

   **Powers:**
   The commission shall have the power to act on behalf of the Presbytery to dissolve the pastoral relationship between the Reverend Fairfax F. Fair and the Congregation of the First Presbyterian Church of Ann Arbor. The commission may dissolve the relationship when requested to do so by either the Pastor or the Congregation, after according to the other party to the call an opportunity to be heard. The commission may also dissolve the pastoral relationship if, after consultation with the Pastor, the Session, and the Congregation, it finds the church’s mission under the Word imperatively demands it. In every case, there shall be a meeting of the Congregation to consider the matter and to consent, or decline to consent, to dissolution. (G-3.0109b; G-2.0901–G-2.0904) In every case, every motion to dissolve the pastoral relationship should include the terms of dissolution, including the dates and financial commitments involved.

   The commission shall have the power to act on behalf of the Presbytery to direct the Session to meet (G-3.0203), and to make provisions for a moderator for Session meetings if necessary (G-3.0104; G-3.0201).

   The commission shall have the power to act on behalf of the Presbytery to call meetings of the Congregation (G-1.0502), and to make provisions for a moderator for meetings of the Congregation if necessary (G-1.0504).

   The commission shall have the power to assume original jurisdiction on behalf of the Presbytery if it determines that the Session cannot exercise its authority. Before taking such action, the commission must make a thorough investigation, must accord to the Session full opportunity to be heard, and must conclude that the Session is unable or unwilling to manage wisely its affairs. (G-3.0303e)

   **Additional Responsibilities:**
   The commission shall meet with all Ministers of the Word and Sacrament who are in installed or temporary pastoral relationships with the First Presbyterian Church of Ann Arbor.

   The commission shall provide opportunities for other members of the staff, and for members of the church, to speak to the commission.

   The commission may meet with such boards, committees, and organizations of the church as the commission sees fit.

   The commission may provide education and training for the Session and for the Personnel Committee.

   The commission may help the church to review and amend the bylaws of the Congregation.

   The commission may help the Session to review and amend its manual of administrative operations. (G-3.0106)

2. **Appoint the following persons** to serve as members of the Administrative Commission to work with the First Presbyterian Church of Ann Arbor, Michigan. The quorum for the commission shall be a majority of its members.

   - Paul Thwaite, Pastor, Orchard Lake, Community

   **Ruling Elders:**
   - Doug Franklin, Ann Arbor, Westminster
   - Kathi Johnson, Detroit, Jefferson Avenue
   - Nancy White, Plymouth, First

* POD Minimum effective salary. Manse value is considered 30% of this total by the Board of Pensions. Cash housing allowance is flexible, but must reflect actual expenses of operating the home.

** The setting aside of a Medical Reimbursable amount by a presbytery is optional. As an alternative, many presbyteries and pastors are moving away from requiring a medical deductible amount paid by
the church, and opting for contributions to Flexible Spending Accounts (as approved by session) as such accounts can be used for a wider array of medical/health expenses. There is also a tax advantage for the pastor in such an arrangement. For more information and list of options please see “The Guide to Selecting 2019 Benefits” on the Board of Pensions website, www.pensions.org.

OTHER REQUIREMENTS

a. Attend Transition in Ministry Workshop. All new and existing full-time calls are required to meet the minimum. Less than full time calls are prorated based on 50 hours for full time.

I. INTRODUCTION

In recent years, sexual misconduct has become a public matter, having been quietly dispatched or ignored previously. Presbyteries, Synods and the General Assembly of the Presbyterian Church (U.S.A.) have adopted policies for the prevention and judicial management of these cases. This document applies to the Presbytery of Detroit and its constituent teaching elders, committee members, related agencies, and staff. Through its implementation, the Presbytery is establishing the norm that no sexual misconduct will be tolerated.

A. Theological Rationale

Under the grace of God and the Lordship of Jesus Christ, the church and its people are called to behave responsibly in a connectional system that is clear in its expectations and uniform in its discipline. Biblical standards for the sanctity of marriage and for ethical behavior are based on a combination of love, justice and the equitable distribution of power. Sexual behavior is one aspect of human interaction that must be conducted justly and fairly. Our faith, under Christ, leads us to decry any interactions where people are treated without love and justice.

The church has grappled since its inception with the tension between judgment and grace as attributes of God’s nature. Though grace predominates and forms the motivation of human response, judgment and discipline are expected when individual behavior affects other persons and the church body as a whole. To lightly dismiss an instance of sexual misconduct, though it appears on the surface to be gracious, is really a compounding of the misconduct. Maintaining silence, though characteristic of the church’s history, is unacceptable. In the words of Paul: “All things are lawful but not all things build up. Do not seek your own advantage, but that of the other.” (I Corinthians, 10:23-24)

B. Purpose and Scope

1. Purpose

It is the purpose of this policy:

a. to define sexual misconduct in the Presbytery of Detroit;

b. to provide standards for behavior applicable to all members of the Presbytery of Detroit: its officers, committee members, candidates, inquirers, volunteers, employees, or any other person carrying out the programs of the Presbytery of Detroit;

c. to provide for measures to prevent the occurrence of sexual misconduct;

 d. to provide the basis for policies to be adopted by church Sessions dealing with church members and non-ordained employees;

e. to have a system which provides for an expeditious, professional, confidential, and caring response in sexual misconduct situations;

f. to serve as a companion to the Book of Order but not to supersede any of its provisions.

2. Scope

The persons governed by this policy are all members of the Presbytery of Detroit: its officers, committee members, candidates, inquirers, volunteers, employees, or any other person carrying out the programs of the Presbytery of Detroit.

a. Particular Churches: This policy does not purport to regulate sexual conduct within the particular churches of the Presbytery of Detroit. It is recommended that Sessions adopt policies similar to this one.

b. Child, Youth and Vulnerable Adult Protection: Because of the unique issues involved in monitoring children Youth and vulnerable adult (CY&V) activities, this policy is not intended to serve as a full CY &V protection policy

3. Other Policies and Procedures
This policy is to be interpreted and applied consistently with any and all other applicable policies of the Presbytery of Detroit, the Presbyterian Church (U.S.A.), and state, federal, and local law.

II. DEFINITIONS

A. Sexual Misconduct
Sexual misconduct is the comprehensive term used in this policy to cover the following:

1. **Child sexual abuse** is any contact or interaction between a child under the age of 18 when the child is being used for sexual stimulation of adults. The behavior may or may not involve touching. Sexual behavior between an adult and a child is always considered forced whether or not there is consent.

2. **Inappropriate sexual conduct** is language, visual contact, touching or other behavior judged by the person to be injurious to his or her physical or emotional health. It involves crossing a boundary the person was attempting to set.

3. **Rape** is sexual contact by force, threat, intimidation, or coercion.

4. **Sexual malfeasance** is sexual conduct within a teaching elder or professional relationship (e.g., teaching elder with a parishioner, counselor with a client, church employee with a church member, Presbytery staff person with a volunteer). It includes unwelcome sexual advances, requests for sexual favors or conduct of a sexual nature, as well as consensual romantic relationships (see Section II.B, below).

5. **Sexual harassment** is an unwelcome sexual advance, verbal or physical contact, or display of sexually related material when:
   a. the affected party has previously rejected those advances;
   b. submission is explicitly or implicitly made a condition of future employment, service or care;
   c. such conduct affects morale or performance of the individual or others involved in the situation; or
   d. persons in the work setting claim to find the material offensive.

6. **Single party conduct** is that where no partner is involved, such as use of computers, reproduction machinery or other office equipment belonging to a governing body. When discovered it could fall under this policy.

7. **Inappropriate use of technology, the Internet and/or social media** to communicate with another to commit sexually abusive activity, including but not limited to the activities as listed above.

B. Presumed Consent
Presumed consent is the assertion that a particular act is between consenting adults. It applies to relationships where there is no disparity of power, as between spouses or single adults who are peers or colleagues.

In this policy presumed consent does not apply to relationships between teaching elders and members or participants in the life of the church, supervisors and supervised, or with anyone involved with a performance review, compensation, promotion, or continued employment. Even when parties claim that a consensual agreement exists, there is an inherent imbalance of power between the two parties that undermines the assumed validity of such consent.

A relationship **that begins** between a teaching elder and a church member/participant is inherently unequal with regard to the responsibilities of the pastoral relationship. Becoming involved in such a relationship has implications not only for the teaching elder and church member/participant, but it may also have implications for the congregation, especially if the relationship is terminated unhappily. Such a relationship is not a personal matter because it impacts the whole system of the congregation. It is recommended that a teaching elder and member/participant **not** pursue a romantic
relationship while remaining in the same congregation. If a teaching elder chooses to continue the relationship, one or the other shall change churches so that the teaching elder is no longer in the pastoral role within this relationship. It is strongly recommended that the teaching elder initiate a serious, thoughtful conversation with a trusted, but unbiased, advisor who can assist the teaching elder and the teaching elder’s romantic partner to explore all of the ramifications of the emerging relationship.

C. Presbytery Entities Involved In Sexual Misconduct Cases
1. An Advocate is a person who provides support and emotional and physical presence, to the alleged victim(s) and their family, the accused, family members of the accused, or the congregation involved in a sexual misconduct case. The advocate may also provide clarification of the investigative process of the church and the judicial process of the church to the person(s) with whom he or she works. The role of an advocate is not to speak for the party for whom he or she is an advocate but to inform that party of his or her rights within the investigative process. The advocate shall not give advice regarding civil remedies. When requested by the party for whom he/she is advocate, the advocate may accompany that person to meetings of Presbytery entities when that party is testifying.

2. Committee on Ministry continues in its constitutional role as resource to teaching elders and congregations, particularly where pastoral vacancies occur. When appropriate, the Committee on Ministry is to facilitate the employment of interim leadership competent to manage any conflict associated with the sexual misconduct case. The committee facilitates the relations between congregations, teaching elders, and the Presbytery, and resolves difficulties on behalf of the Presbytery when possible and expedient.

3. The Executive Presbyter maintains his or her role as resource to the Committee on Ministry. Under most circumstances the Executive Presbyter is the point of entry when an allegation of misconduct is made, and is to ensure that the proper steps are taken to bring the process to issue.

4. Pastor includes Ministers of Word and Sacrament (also known as Teaching Elders), and Commissioned Ruling Elders

5. The Pastoral Response Team is a group of clergy and laity, from which panels of at least 3 persons shall be assigned to work with the person making the complaint, the accused and the affected governing body (in a congregation the Session) to make a preliminary intervention with affected parties. It has no judicial function, nor should it attempt to assume one. It shall talk with parties individually and assist them in selecting advocates; members of the Pastoral Response Team do not serve as advocates. It may maintain contact with those involved in the situation, but must assure the parties that it is not interfering with the disciplinary case in process should there be one. This team shall be responsible for the training of pastors and lay persons in the Presbytery in matters related to sexual misconduct, and shall take steps toward its prevention. Attendance at training sessions will be tracked and reported by the team.

6. The Permanent Judicial Commission is the continuing body elected by the Presbytery to conduct trials when an investigating committee files charges. The commission’s structure and duties are described in D-5.000.

7. The Investigating Committee. This is the committee established under the Rules of Discipline to investigate any allegation of misconduct as an allegation of offense. If it determines that an offense has been committed, it will file charges with the Stated Clerk. Amended 8/28/12.

8. The Stated Clerk receives the initial complaint and notifies the Presbytery Assembly that a complaint has been received. The Clerk consults with the Executive Presbyter
and the Committee on Ministry on whether the complaint warrants an administrative leave. The Clerk refers recommendations from the Investigating Committee to the Permanent Judicial Commission.

D. Additional Definitions
1. The **Accused** is the person against whom a claim of sexual misconduct is being made.
2. An **Accuser/victim** is the person claiming knowledge of sexual misconduct by a person covered by this policy or a person claiming to have been the subject of sexual misconduct by a person covered under this policy. The accuser may or may not have been the victim of the alleged sexual misconduct.
3. An **Employee** of the Presbytery of Detroit has been hired by the Presbytery and/or its entities to perform specific duties for the Presbytery of Detroit or its entities. The employee receives salary/remuneration from the Presbytery for work performed.
4. A **Mandated Reporter** is a person required by the laws of Michigan (and other states) to report suspected incidents of child abuse, including child sexual abuse, which come to their attention. As state laws vary, any person who knows or suspects child abuse and has questions about reporting should confer with an attorney.
5. A **Volunteer** is a person who provides services for the Presbytery and/or its entities and receives no benefit or remuneration. Volunteers include persons elected or appointed to serve on boards, committees, task forces, and other groups. For purposes of this policy, volunteers are treated the same as employees.

III. THE PASTORAL RESPONSE TEAM

A. Purpose
The Pastoral Response Team shall be appointed by and serve under the authority of the Committee on Ministry and shall be confirmed by the Presbytery. The purpose of the Pastoral Response Team is to:
1. Ensure that an expeditious, professional, confidential, and caring response is made by the Presbytery to charges of sexual misconduct, particularly in a congregational environment. The Pastoral Response Team, however, is not an investigatory body and will not usurp the roles of Presbytery officials or committees.
2. Lead an ongoing preventative program of continuing education for staff, clergy, volunteers, and congregations in the Presbytery, as outlined below in Section V.A.

B. Membership
The Pastoral Response Team shall be comprised of Presbyterian clergy and lay persons who represent a range of professional expertise, including but not limited to pastoral counseling/therapy, law, interim ministry, conflict resolution, personnel management and training, and child advocacy. The Pastoral Response Team should reflect the racial/ethnic and gender constituency of the Presbytery, and be composed of an equal number of clergy and laity.

The Pastoral Response Team should consist of at least nine persons to allow for the possibility that more than one allegation of misconduct will be pending at any particular time. Members should agree to serve for six years, in order to build experience and expertise within the group. One third of the Pastoral Response Team shall be appointed by the Committee on Ministry every other year. No person who has served a full six-year term shall be re-appointed until one full year has elapsed.

C. Training
The Pastoral Response Team members will receive training in dealing with sexual and ethical misconduct, with specific attention to the dynamics that are unique to the ministerial role. The cost of training the Pastoral Response Team shall be borne by the Presbytery.
In addition, the Pastoral Response Team is responsible for conducting seminars on the issues of sexual misconduct. This training shall be given yearly. See Section V.A.4., below.

D. Policy-Review
Since this policy cannot detail all the procedures needed by the Pastoral Response Team in addressing different kinds of cases, at least every three years, the Pastoral Response Team shall evaluate this policy and recommend changes to the Committee on Ministry for approval by the Presbytery Assembly. There shall be a report of this evaluation made to the Presbytery Assembly at its June meeting, regardless of whether changes are recommended.

E. Resources
1. Through the Committee on Ministry, the Pastoral Response Team shall maintain a list of interim or supply pastors trained in responding to congregations where abuse has occurred and other resources for assisting such congregations.
2. The Presbytery shall develop a fund from which the expenses of administering this policy may be drawn.

IV. PROCEDURES AND IMPLEMENTATION

A. General Principles
1. Ministers of Word and Sacrament, ruling elders, deacons, and ministerial candidates and inquirers are subject to inquiry and discipline under the Book of Order, Rules of Discipline. This policy is intended to supplement the Rules of Discipline, not replace them.
2. Employees of the Presbytery are subject to the employee policies administered by the Presbytery Operations Ministry Team.

B. Sexual Misconduct and the Disciplinary Process. Amended 8/28/12
1. When a pastor is accused of sexual misconduct, two processes are begun: procedures under this policy, and judicial procedures under the Rules of Discipline. The two processes are related and in some cases overlap, but they are distinct. The judicial process is mandated by the Rules of Discipline, and where there is a conflict between the two procedures, the judicial process takes priority.
2. A case is initiated by a written allegation. In the case of a pastor, it is given to the Stated Clerk of the Presbytery; in the case of a ruling elder or member of a church, to the Clerk of Session. A person accused is presumed innocent until proved guilty. He or she is afforded the right of counsel at all stages, and the session or Permanent Judicial Commission may authorize payment of counsel fees upon application.
3. Upon receipt of a written allegation, the clerk will cause to be appointed an Investigating Committee, which has the duty to inquire into all the facts, contact all the witnesses, and review all the available evidence. If it determines that the accused committed an offense, and that it has sufficient evidence to prove it, the Investigating Committee will file charges with the clerk, which will begin the process of a trial. In the case of a ruling elder/member, the trial will be before the session; in the case of a pastor, it will be before the Permanent Judicial Commission. In evaluating the evidence for the purpose of determining whether to file charges, the Investigating Committee will take into consideration the credibility of the witnesses. If after hearing the evidence, 2/3 of the members of the Permanent Judicial Commission are persuaded beyond a reasonable doubt, they will find the accused guilty.
4. The remedies available under the Rules of Discipline are variations of "censure." This censure can be a simple reprimand to a removal from office and membership. The decision of the Permanent Judicial Commission will be read to the council and entered into the minutes. It can be appealed by the person convicted.
5. There is a matter of confidentiality to be considered. The rule is that the name of the accused and the nature of the allegations are not revealed. The clerk is required to report
to the council only that allegations have been received against a member and that an Investigating Committee has been appointed. When the Investigating Committee has decided to file charges, this also is reported, without naming the accused or the charges. This confidentiality is required because the mere allegation is sometimes enough to destroy a reputation or a career. Any trial, however, is open; that is, it is not confidential. This confidentiality, as well as the possibility of civil litigation, sets requirements for the implementation of our sexual misconduct policy. Information about the charges and the pastor are not public information, and should not be revealed to anyone except under very limited circumstances, and the identity of the victim must be strictly protected. The exceptions to confidentiality regarding the accused and the accusations are governed by a need to know. If an individual or a group has a need to know this information, it can be revealed to them under the following circumstances: steps must be taken to limit the dissemination strictly to that group or individual; only the amount of information necessary is to be revealed. The very difficult decision is when there is a need to know. Since matters of sexual misconduct in a church are rarely secret, and since rumors frequently abound, there can be significant damage to persons or to churches that can only be limited by accurate information. In such a case, some information can be revealed. Before doing that, it is wise to consult with the Stated Clerk Since trials are open, confidentiality ends at that point.

C. The Role of the Pastoral Response Team

1. When the Pastoral Response Team is first notified of an accusation, it shall coordinate pastoral care as needed for the accuser/victim(s), the accused, their families, the congregation, and all other involved parties. The Pastoral Response Team’s responsibilities are to:
   a. notify the affected parties of the Pastoral Response Team’s role;
   b. confirm that civil authorities have been notified, when appropriate;
   c. assess the needs of the affected parties, congregations, entities, agencies, and governing bodies, including the need for advocates and/or an attorney or counsel.
   1) The Accuser/Victim(s): At least two persons from the Pastoral Response Team will meet with the accuser/victim(s) and their family to listen to their concerns and ascertain their needs. The Pastoral Response Team members’ role is to help clarify options for the accuser/victim(s) so they may decide for themselves what they will choose to do, as well as make available to the accuser/victim a list of counseling resources.
   2) The Accused: The Pastoral Response Team, through its moderator, shall consult with the Executive Presbyter and his or her designee, to determine what support and resources should be offered to the accused. The Executive Presbyter or his or her designee will offer to arrange for at least two persons from the Pastoral Response Team to provide support, as well as make available to the accused a list of counseling resources, if requested.
   3) The Congregation: When a congregation is involved, the Pastoral Response Team, in consultation with the Committee on Ministry and the Executive Presbyter or his/her designee, shall determine if it would be helpful to offer the congregation support and services. When appropriate, members of the Pastoral Response Team may be called upon to meet with the Session to advise the congregation on the kind of support and resources that are available and to help the Session plan a response to the situation.
   4) Resources: The Pastoral Response Team will identify the resources available for professional counseling. If the victim and/or the accused do not have insurance and are unable to assume the costs of counseling, the Presbytery shall
accept responsibility for payment of counseling fees, for a reasonable time, up to a maximum of one year.

2. At no time will there be only one person in possession of knowledge of any matters pertaining to a case. At least two members of the Pastoral Response Team will be present when meeting with the accuser, victim, accused, or witnesses. Such consultations shall always include at least one person who is of the same gender as the person being interviewed.

3. Members of the Pastoral Response Team will make reasonable efforts to guard the privacy of persons involved. Material information will be made available only to authorized persons on a need-to-know basis.

4. Should the accuser choose to file a complaint as defined in this policy, the Pastoral Response Team ceases to function in the case, other than to listen and counsel on the initiative of the parties involved.

5. Should the accuser refuse to file a complaint, the Pastoral Response Team is to continue in a supportive role with the various parties through their advocates.

6. PRT Members cannot serve on judicatory cases in which PRT has been mobilized to respond.

D. The Role of the Investigating Committee

1. The Investigating Committee is charged, under the Rules of Discipline, with conducting an inquiry to determine whether charges should be filed (D-10.0201).

2. The Investigating Committee is appointed by the Moderator of Presbytery, in consultation with the Stated Clerk and the Executive Presbyter, for the particular case.

3. The Investigating Committee will provide the accused with a copy of the statement of the alleged offense (D-10.0202 b).

4. The Investigating Committee will determine whether sufficient grounds exist to bring the complaint to trial. If the committee determines that grounds exist, and they can reasonably be proved (D-10.0202b), the Investigating Committee will prosecute the case before the Presbytery Permanent Judicial Commission.

5. After the investigation is complete, the Investigating Committee, if appropriate, will initiate alternative forms of dispute resolution (D-10.0202 j), or proceed to the filing of charges (D-10.0302) and the prosecution of the case (D-10.0402).

E. Appeal Process

If the defense in a case alleges that grounds exist for an appeal (D-13.0106), the appeal shall be made to the Permanent Judicial Commission of the Synod. During the appeal process, any level of censure invoked by the Presbytery shall remain in force.

F. Unsupported Allegations

If the accused is acquitted of charges or if the investigating committee determines that the allegations are unsupported by evidence, the Executive Presbyter and his or her designee will consult with the accused to decide how best to repair any damage that may have been done to the reputation of the accused. If an allegation is found to have been submitted maliciously or without grounds, the accuser may be named and disciplinary action may be initiated. The Investigating Committee and the Pastoral Response Team should encourage the accused to file a ‘request for vindication’ under D-9.000.

V. ADDITIONAL RESPONSIBILITIES OF THE PRESBYTERY

A. Availability of the Policy and Compliance

1. All Ministers of Word and Sacrament, CRE’s, ministerial candidates, and inquirers, members of the Presbytery Coordinating Cabinet, and the moderators of any of the Presbytery’s entities, shall be given copies of the policy and be required to sign an acknowledgment of receipt. In addition, they are required to agree to abide by the policy, accept responsibility to review all changes to the policy as posted and abide by
the sexual misconduct policy as amended subsequent to the date of their signature (Appendix F).

2. This document shall also be available on request to all church members and to the public.

3. Presbytery employees shall receive this document as a supplement to the employee handbook and shall be required to sign an acknowledgment of receipt.

4. All Ministers of Word and Sacrament, CRE’s, ministerial candidates and inquirers, members of the Presbytery Coordinating Cabinet, the moderators of any of the Presbytery’s entities, and all employees of the Presbytery of Detroit shall be required to attend a training offered by the Presbytery on the issues of sexual misconduct. All new clergy are required to attend such training no later than one year after employment. Persons who have taken training offered by other entities, such as another Presbytery or a synod, seminary or other similar institution, must submit proof of that training for review to satisfy this requirement. Youth overnight advisors/volunteers must receive training prior to spending the night with minors at Presbytery of Detroit sponsored functions. The Pastoral Response Team or its designee will train all youth advisors/volunteers regarding this policy prior to overnight youth events. Upon completion of any Presbytery of Detroit sexual misconduct training participants will receive a certificate verifying their attendance. Participants will be required to maintain the certificate for their record, in order to substantiate compliance with this policy.

B. Management of the Policy

1. Liability and insurance: The Presbytery shall periodically obtain from its insurance agents, confirmation that the liability insurance policy covers sexual misconduct liability for its programs and activities, if such coverage is available.

2. Record Keeping: The Presbytery of Detroit will include in every employee’s personnel file, including teaching elders, the application for employment, any employment questionnaires, reference responses, and other documents related to this policy, including a signed receipt for receiving the sexual misconduct policy.

C. Screening of Applicable Persons

1. Pre-Employment Reference Checks
   a. Pre-employment screening includes specific questions related to previous complaints of sexual misconduct. The Presbytery reviews the Sexual Misconduct Information of the Presbyterian Church (U.S.A.) Personal Information Form when interviewing persons seeking ministerial calls.
   b. The Executive Presbyter and his or her designee are responsible for making reference checks to ascertain whether persons seeking ministerial calls have any history of sexual or other misconduct. The Executive Presbyter or his or her designee will report to the Committee on Ministry either that there was no reported misconduct, or that the committee should inquire into reported sexual or other misconduct. A written record of conversations and correspondence with references will be kept in the teaching elder’s/employee’s file.
   c. When the Executive Presbyter or his or her designee provides a reference, any information provided concerning complaints, inquiries, and administrative disciplinary action shall be accurate.

2. Criminal Background Checks
   a. Pre-employment screening for prospective incoming clergy and Presbytery staff shall also include a mandatory criminal history background check, conducted by the Executive Presbyter or his or her designee, using a national screening organization.
   b. All persons for whom a background check is required shall be required to sign a written consent and release form authorizing the criminal record background check. The Committee on Ministry will provide all prospective incoming clergy with a written
disclosure that a criminal record background report will be requested. The failure of a prospective incoming clergy person to volunteer important information regarding his or her criminal history shall prevent that person from consideration or employment in any capacity, or will be grounds for termination.

c. The discovery of a criminal conviction will not automatically exclude a person from entry into the Presbytery and work in its congregations or with its youth. The use the Presbytery makes of the criminal record background report will be determined on an individual case-by-case basis, and shall include, where necessary, appropriate supervision of the individual. Only the Executive Presbyter or his or her designee shall order and review the criminal record background reports. The Executive Presbyter and his or her designee shall ensure the confidentiality and appropriate retention of criminal record background checks.

d. A person who claims that the information in the report is inaccurate, false, or incomplete shall have the right to dispute it.

D. Requests for Transfer, Release, or Renunciation of Jurisdiction

A Session or the Presbytery is constitutionally prohibited from granting a certificate of transfer to a member while an inquiry or charges are pending (D-10.0105). The reasons for not granting a transfer may be communicated by the Clerk of Session or the Stated Clerk to the appropriate persons. Should a Minister of Word and Sacrament or a CRE renounce the jurisdiction of the Presbyterian Church (U.S.A) under G-6.0501, the Stated Clerk shall report to the governing body both the renunciation and the status of the matter at that time, including the name of the accused, the date and fact of renunciation during an investigation or trial, and the charges filed, if any. These actions shall end the Presbytery’s disciplinary process. In the case of a renunciation, the Committee on Ministry shall make all reasonable efforts to provide pastoral care and justice to the accuser/victim and the congregation.

E. Disposition of Files

At the conclusion of a case, the records and files of all allegations and their disposition shall be delivered to the Stated Clerk as the designated custodian of all files concerning the case. No committee or its members shall keep copies of a file.

APPENDIX A

PROCESS IN DISCIPLINARY PROCEEDINGS

The Presbytery of Detroit takes seriously all allegations of misconduct which may come to its attention. Such allegations will be dealt with according to the procedures contained in the Rules of Discipline. To help familiarize members of the Presbytery Assembly and its churches with these procedures, we call attention to the following facets of the disciplinary process.

A. Initiating or Exploring the Filing of a Statement of Alleged Offense

Anyone who believes that she or he has been a victim of professional misconduct by a member of the Presbytery or one of its employees or volunteers is advised to contact the Executive Presbyter, the Stated Clerk, the Moderator of the Committee on Ministry, or the Moderator of the Pastoral Response Team, in person or in writing.

The official who has been contacted will provide information regarding the appropriate procedure for pursuing the matter. The official will not attempt to judge the legitimacy of the allegation or seek to resolve the matter. If the allegation involves any of the above individuals, or any other official of the Presbytery, that person is barred from participating in proceedings relative to the matter.

B. Filing a Written Allegation of Offense

1. An individual who wishes to proceed with the formal disciplinary process is advised to file a signed, written statement of allegation with the Stated Clerk of the Presbytery or, if the accused is an ruling elder or deacon, with the Clerk of the accused’s Session. The statement of allegation should state briefly the nature of the offense, the name of the
accused, and provide relevant and supporting information. It need not contain full details or evidentiary material. The accuser is expected to be prepared to attest personally to the allegation in the course of the investigation and disciplinary process.

Note: The procedures which follow describe only the process followed in the Presbytery of Detroit. Disciplinary procedures in a local church will be similar to those described here. For specific details about the disciplinary process in a church, see chapter 10 of the Rules of Discipline.

2. Upon receipt of a written statement of allegation, the Presbytery Moderator, in conjunction with the Stated Clerk and the Executive Presbyter, will appoint an Investigating Committee. The Presbytery is informed by the Stated Clerk at its next meeting, without naming any of the individuals involved or the nature of the alleged offense.

3. Members of the Investigating Committee will be ruling elder and teaching elder members of the Presbytery. They will receive special orientation by the Stated Clerk or his or her designee and training in matters of process and sensitivity and are chosen to represent both particular skills and disciplines and the broader spectrum of the Presbytery’s membership.

4. Upon receipt of a written statement of allegation, any need for administrative leave will be reviewed, as provided for in the Sexual Misconduct Policy of the Presbytery. The Committee on Ministry, with concurrence of the Session, shall assist in finding Temporary Supply and shall appoint an Interim Pastor for the duration of the administrative leave.

C. The Initial Investigation

1. The Investigating Committee will inform the parties of the options and procedures open to them in the disciplinary process. The committee will respect both the rights of the accused and the alleged victim(s), and will provide the accused with a copy of the statement of the alleged offense. The committee will determine whether the accused’s Session or other responsible entity should be informed at this time.

2. Both the accuser/victim and the accused have the right to be represented by counsel in the course of the investigation and any subsequent trial. Under the Rules of Discipline, such counsel do not need to be licensed attorneys. They must, however, be members of the Presbyterian Church (U.S.A.). In the event the accused is unable to secure counsel, the Permanent Judicial Commission shall appoint counsel. Reasonable expenses for defense shall be authorized and reimbursed by the Presbytery.

3. If the Investigating Committee determines that there is probable cause to believe that a chargeable offense has been committed, and that it can be reasonably proved, the committee, under the powers assigned to it in the Rules of Discipline, may elect to file charges against the accused and proceed to prosecute the case before the Permanent Judicial Commission; or, with the agreement of both the accuser/victim and the accused, initiate the process of alternative resolution as provided in the Rules of Discipline.

D. Full Judicial Process

1. If formal charges are filed, the case will be tried before the Permanent Judicial Commission. In the event the accused is found guilty, the Commission determines the degree of censure as guided by the Rules of Discipline and reports its findings to the Presbytery Assembly.

2. In the event the accused is found innocent or the charges are not proven, the Executive Presbyter or his or her designee will consult with the accused to decide how best to proceed to repair any damage that may have been done to his or her reputation. Follow-up with the accuser will be done as deemed necessary and appropriate at the time.
### E. Renunciation of Jurisdiction

Should a Minister of Word and Sacrament renounce the jurisdiction of the Presbyterian Church (U.S.A.) while disciplinary proceedings are pending, the Stated Clerk shall report to the Presbytery Assembly both the renunciation and the status of the matter at that time, including the name of the accused, the date and fact of renunciation during an investigation or trial, and the charges filed, if any. These actions end the Presbytery’s disciplinary process.

**Pastoral Response Team**

The Pastoral Response Team meets with the party making a complaint, determines which parties might need advocates, assigns advocates with consent of various parties (accuser, accused, church Session, congregation, families, and others involved with the situation) and determines, with consent of the accuser, whether or not a complaint is to be filed. Should the accuser choose to file a complaint, the Pastoral Response Team ceases to function in the case other than to listen and counsel on the initiative of parties involved. It assumes no role in judicial process. Should the accuser refuse to file a complaint, the Pastoral Response Team is to continue in a supportive role with various parties through their advocates. In this case, this is where the process stops and the Pastoral Response Team retains responsibility for resolution and reconciliation among the parties.

**Stated Clerk**

A written statement of complaint is filed with the Stated Clerk who notifies the Presbytery Assembly that a complaint has been received.

**Operations Ministry Team**

The Operations Ministry Team investigates and takes disciplinary action, if appropriate, with non-ministerial personnel.

The Civil authority having jurisdiction is immediately notified, and the case is turned over to that governmental entity.

Permanent Judicial Commission
Following the work of the Investigating Committee or a civil authority, the case shall be referred to the Permanent Judicial Commission which shall conduct an ecclesiastical trial to determine whether an appropriate level of censure should be enforced (D-12.0102ff). In such a trial the Investigating Committee prosecutes the case and the defendant is to seek counsel from within the membership of the Presbyterian Church (U.S.A.). In the absence of an appeal, the decision of the Permanent Judicial Commission settles the matter.

Appeal to the Permanent Judicial Commission of the Synod
Should the defense in a case allege that grounds exist for an appeal (D-13.0106) it shall be made to the Permanent Judicial Commission of the Synod. During the appeal process, any level of censure invoked by the Presbytery shall remain in force.

Request for Vindication
Should a Investigating Committee conclude that grounds for filing charges do not exist and that the complaint was frivolous or defamatory to the person accused, it would be appropriate for the Presbytery to take remedial action to defend that person’s reputation. The Pastoral Response Team and the Investigating Committee should encourage the accused to file a ‘request for vindication’ under D-9.0000.

Throughout the process described above, from accusation to resolution, the Committee on Ministry shall ensure that the congregation involved receives appropriate care, including the appointment of interim pastoral leadership trained in the management of sexual misconduct cases. Should a pastor be placed on administrative leave, this interim appointment, in consultation with the church Session, should be made with dispatch.

APPENDIX E
THE PRESBYTERY OF DETROIT
POLICY ON ADMINISTRATIVE LEAVE

A. The Policy
Under appropriate circumstances, pastors who are being investigated for professional misconduct should be temporarily removed from their ministerial positions. Under no circumstances will administrative leave be required when there is no concurrent disciplinary proceeding in process under the Rules of Discipline. The conditions in which administrative leave is appropriate include, but are not limited to: situations where:

1. the facts described in a statement of alleged offense, or where the investigating committee uncovers allegations of facts which, if true, pose a significant present risk of sexual abuse, as defined in the Presbytery of Detroit’s Sexual Misconduct Policy, particularly to children or those unable to consent because of physical or mental disability;
2. the facts described in a statement of alleged offense, or where the investigating committee uncovers allegations of facts which, if true, pose a present risk of serious physical, emotional, or financial harm, particularly to children or those unable to consent because of physical or mental disability;
3. relations between the pastor and the congregation or entity he or she serves have become severely conflicted in the course of the disciplinary process.

B. Application

When the Stated Clerk of the Presbytery receives a written statement of an alleged offense, in addition to initiating the procedures required by the Rules of Discipline, the Stated Clerk shall consult with the Executive Presbyter and the moderator of the Committee on Ministry. If it is their unanimous judgment that the complaint warrants administrative leave, the Stated Clerk will notify the teaching elder and the local Session that the teaching elder is placed on administrative leave. All persons placed on administrative leave are presumed innocent until proven guilty.

C. Term

The duration of administrative leave will be set by the Committee on Ministry and will depend upon the time needed for the investigative and judicial process. The investigation will proceed to conclusion with all deliberate speed, mindful of the financial obligations of those involved.

D. Conduct of Pastor Teaching elder on Leave

The pastor on leave shall:
1. not initiate or sustain contact with any member of the church staff or any member of the congregation (other than family members) except under the following circumstances:
   a. one member of the staff may be designated, by prior mutual agreement, to deliver personal mail or other personal effects to the pastor on administrative leave; or
   b. when contact has been authorized by the Stated Clerk for the purpose of preparing a defense.
   All other contact with the congregation shall be through the moderator appointed by the Committee on Ministry and/or through his or her designee. Even in non-church events such as scouting, school, or sports programs, the pastor shall not use social contact with church members to garner support for his or her case;
2. remain out of all church buildings and off church grounds (excluding a manse and/or a school on the church property when the pastor is in the role of a parent of a child enrolled in the school) throughout the duration of administrative leave;
3. not conduct worship services, weddings, funerals, administer the sacraments or engage in any form of pastoral leadership in the congregation which the pastor serves, or in funeral homes, wedding chapels, or in any other congregation in the Presbytery or any other Presbytery. Provisions may be made with the Stated Clerk, Executive Presbyter, or the Committee on Ministry in those cases where the pastor’s pastoral care is requested by his or her own family;
4. not attend Session meetings or meetings of any other board of the congregation.

E. Financial Arrangements

1. Because a pastor on administrative leave is presumed innocent, he or she will continue to receive full salary, housing allowance, and medical and pension benefits as defined by his or
her terms of call. However, expense allowances, including educational benefits, shall not be paid. The period during which financial support is paid shall be set by the Committee on Ministry and shall not ordinarily exceed one year. If the administrative leave is extended, the terms of call may be amended by the congregation, with the approval of the Committee on Ministry and the Presbytery.

2. Ordinarily, these costs shall be borne by the pastor’s congregation. In the event the congregation cannot afford to honor the accused pastor’s terms of call and pay for interim leadership, the costs of interim leadership may be borne in whole or in part by the Presbytery of Detroit. The reasonableness of these costs shall be determined by the Committee on Ministry.

F. Enforcement:

Any violations of the terms of a person’s administrative leave shall be reported to the Stated Clerk of the Presbytery, and may themselves become the subject of disciplinary proceedings.

Re: Media and Marketing Search

Friends,

We, the search team for the Media and Marketing Coordinator for the Presbytery of Detroit, submit the following for your action:

- The Media and Marketing Coordinator search team advertised the open position via local college and university job boards, the PoD website, PoD newsletters/emails to member churches, and through an on-line job search site with an end-date for submissions to the Presbytery of May 7, 2018.
- The search team received a total of four (4) resumes. These candidates all had a blend of skills and experiences that fit the criteria for consideration. The relatively small number of applicants appears to be in line with the tightening of the job market in the Detroit metro area due to the economic upturn.
- After a careful review of the candidates’ credentials, two were chosen for a preliminary, in-person interview.
- The racial make-up of the candidates was indeterminate from their applications, but it appears from a review of their social media and on-line presence that all were Caucasian. Three of the applicants were female and one male. Additionally, three of the applicants had ties to the PC(USA).
- It was determined by the interviewers that an offer of employment be extended to Rev. Jacqueline S. Spycher to begin June 1, 2018 pending approval of the Operations Team. Rev. Spycher has a considerable resume and her familiarity with both the PC(USA) and the Presbytery of Detroit made her the standout candidate to take on this new staff position.

Finally, I would certify that the process of this search was in keeping with the established policies of the Presbytery of Detroit, EEOC guidelines, and the prayerful consideration of the search team. It is our hope that our efforts will be found successful as Rev. Spycher’s work will help draw the member churches of the Presbytery of Detroit into closer and more effective communication.

Respectfully submitted,

The Media and Marketing Coordinator Search Team,

Ruthenia Henderson, Stephanie Lewis, Sandy Jensen, Rob Allen, and Al Timm (ex officio)

We have audited the accompanying financial statements of The Presbytery of Detroit, Inc. (a nonprofit organization) which comprise the statements of financial position as of December 31, 2017 and the related statements of activities, and statements of cash flows for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, except for the effects of the unrecorded net book value of capital assets, the depreciation expense and the related entities excluded from the report as in Note 1 to the financial statements, the financial statements referred to above present fairly, in all material respects, the financial position of The Presbytery of Detroit, Inc. as of December 31, 2017 and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2016 is consistent, in all material respects, with the audited financial statements from which it has been derived.  

Other Matters  

As more fully described in Note 5 to the financial statements, certain capital expenditures were not capitalized or depreciated as assets by The Presbytery of Detroit, Inc. Also, as discussed in Note 1, not all entities under the control of The Presbytery of Detroit are included. Accounting principles generally accepted in the United States of America require that such assets be capitalized and depreciated, and all entities are included in consolidated reporting. The effect of these departures from generally accepted accounting principles on financial position, results of operations, and cash flows has not been determined.  

Supplementary Information  

The accompanying additional information on page 14 is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The accompanying notes are an integral part of these financial statements.
Note 1 - Nature of Operations and Significant Accounting Policies:

The Presbytery of Detroit, Inc. (the "Presbytery") is one of the presbyteries that comprise the Synod of the Covenant, which is a member of the Presbyterian Church (U.S.A.). The Presbytery consolidation policy is to include all entities under its common control. These financial statements include: the "Presbytery" only. These financial statements exclude the following related entity: "Presbyterian Women in the Presbytery of Detroit" (PWPD). The effect on the consolidated report as of December 31, 2017 and 2016 has not been determined.

In addition to starting and sustaining new churches in southeastern Michigan, the Presbytery provides program leadership and resources to help meet the educational needs of the churches.

Significant accounting policies are as follows:

The financial statements of the Presbytery have been prepared on the accrual basis of accounting. The Presbytery records transactions based on the nature of the activity as unrestricted, temporarily restricted, or permanently restricted.

Unrestricted Assets - Unrestricted net assets of the Presbytery consist of general operations and programs. Unrestricted designated funds consist of amounts received or receivable that the Presbytery, Council, or Trustees have earmarked for a specific purpose.

Gifts of cash or other assets that must be used to acquire long-lived assets initially are reported as restricted support. Absent donor stipulations about how long these long-lived assets must be maintained, the Presbytery reports expirations of donor restrictions when the acquired long-lived assets are placed in service.

Temporarily Restricted Assets - Temporarily restricted assets of the Presbytery consist of amounts received from donors who have specified the time and purpose for which the funds are to be spent. When a donor restriction is accomplished, temporarily restricted net assets are released to unrestricted net assets.

Permanently Restricted Assets - Permanently restricted assets of the Presbytery consist of amounts received from donors who have specified that the principal of the donation is to remain intact for investment purposes. Realized and unrealized gains on these assets are also permanently restricted. Annual earnings on these assets are released to unrestricted or temporarily restricted net assets.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses and changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash Equivalents – The Presbytery considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Functional Basis and Allocation – Indirect costs have been allocated between the program and support services based on activity-based costing methods. Although the methods of allocation used are considered appropriate other methods could be used that would produce different amounts.
Note 1 - Nature of Operations and Significant Accounting Policies: (Continued)

Concentration of Credit Risk Arising From Deposit – The Presbytery maintains cash balances with different banks. Accounts at each institution are insured by Federal Deposit Insurance Corporation (FDIC). At December 31, 2017, the Operating Account had deposits of $28,299 in excess of the FDIC limits.

Risks and Uncertainties – The Presbytery invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities may occur in the near term and those changes could materially affect the amounts reported in the consolidated statement of financial position.

Notes Receivable, Other Receivables and Payable - The Presbyterian Church (U.S.A.) makes loans to various churches within The Presbytery of Detroit, Inc.'s jurisdiction, and the Presbytery cosigns for these loans. Included in notes receivable balance from Presbytery churches is $2,386,106 and $2,617,046 at December 31, 2017 and 2016. Of this amount $2,235,532 for December 31, 2017 and $2,481,837 for December 31, 2016 is due on Presbyterian Church (U.S.A.) loans. Principal and interest payments on these loans are made directly by the churches to the Presbyterian Church (U.S.A.), and include interest rates from 3 percent to 5 percent due at various maturity dates through 2037. The Notes receivable are reviewed periodically throughout the year and assessed for collectability. An allowance for doubtful accounts is not required as of December 31, 2017 they are deemed collectible.

Property, Building, and Equipment - As further discussed in Note 5, certain capital expenditures are not recorded as assets by the Presbytery.

Investment Fees - The investment management fee is paid by a reduction in trust principal only.

Income Tax Status - The Presbytery is exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code and did not conduct any unrelated business activities during the calendar year. Therefore, The Presbytery has no provision for federal income taxes in the accompanying financial statements.

Donated Property and Services – The Presbytery records donated property at its estimated market value only. Additionally, the Presbytery members provided volunteer services in many activities of the entity. These volunteers have a significant impact on making the ministry effective. However, the values of those services are not reflected herein inasmuch as the amount of services provided is indeterminable.

Subsequent Events - The Presbytery management has evaluated events and transactions for potential recognition or disclosure through the date of the auditor's report June 15, 2018, which is the same date the financial statements were available to be issued.

Pension Plan - Certain members of the Presbytery's staff are participants in a pension plan that is administered by the Board of Pensions, which is governed by the Presbyterian Church (U.S.A.). The Presbytery's contributions are calculated as a percentage of eligible wages and are funded as accrued. Pension expense was $10,668 and $14,031 for the years ended December 31, 2017 and 2016. While contributions are based on fixed rates, federal laws impose certain contingent liabilities on contributors to multiemployer plans. In the event of withdrawal from the plan and under certain other conditions, a contributor to a multiemployer pension plan may be liable to the plan in accordance with formulas established by law.
Note 1 - Nature of Operations and Significant Accounting Policies: (Continued)

Trustee Expenses – These expenses represent non-salaried expenses used to run the day-to-day operation of the Presbytery office.

Note 2 - Investment Loan Program

At December 31, 2017 and 2016, the Presbytery has $728,504 and $528,504 in a money market fund with the Presbytery Church (U.S.A.) Investment Program. Under this program, loans are made to churches for capital investments or improvements. The investments are available for allocation to reduce interest charged on loans to local churches participating in the program. Under this program the Presbytery is required to maintain a balance of twenty-five percent (25%) of the outstanding balance in liquid assets. The Presbytery is contingently liable for the full amount of the loan outstanding should an individual church default on its loan and the proceeds from the liquidation of the collateral is insufficient to satisfy the outstanding balance. Periodic assessments are made to determine the exposure to the Presbytery for this contingency.

Note 3 - Investment Securities

The fair market value of securities is as follows:

Note 3 - Fair Value Measurement (Continued)

The Presbytery adopted the Fair Value Measurements of its Investments. This accounting standard establishes a fair value hierarchy that measures the different market participant assumptions developed based on market data obtained from sources independent of the Presbytery (observable inputs) and the reporting Presbytery’s own assumptions about market participant assumptions developed based on the best information available in the circumstances (unobservable inputs). The Fair Value measurement also include an adjustment for risk if market participants would include one in pricing the related asset or liability, even if the adjustment is difficult to determine. Fair Value further reports and discloses its results on one of the three levels:

Level 1 – Quoted market prices in an active market for the same assets or liabilities.

Level 2 – Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs that are not corroborated by market data.

The Presbytery holds investments in corporate stock and bonds, Mutual Funds and Money Market Securities. These investments are based upon quoted prices and determined to be Level 1’s for the year ended December 31, 2017.

Note 4 – Property, Buildings, and Equipment

As further discussed in Note 5, certain capital expenditures are not recorded as assets by the Presbytery.

Note 5 – Depreciation of Assets

During 1989, Accounting Standards “Accounting For Depreciation of Assets” became effective for all not-for-profit organizations. This statement required the Presbytery to record as assets all capital expenditures since inception, and record depreciation charges each year over their estimated useful lives. Prior to 2010 the Presbytery recorded, as assets, all expenditures of a capital nature since 1983 and was recognizing their cost over the estimated useful lives through depreciation charges. Subsequent to 2010 Presbytery elected not to report their fixed assets.
Note 6 – Leases

The Presbytery rents its office facility from a member church under a thirty-six month lease commencing January 1, 2010 and expiring August 31, 2015. This lease was renewed on September 1, 2015 for another thirty-six months, with options for renewal for two (2) extended terms of twelve (12) month’s each. Rent expense, including costs of security, was $65,136 for 2017 and $42,974 for 2016. The Presbytery also leases photocopier equipment under an operating lease agreement expiring October, 2018, with monthly payments of $1,795. The lease expense for the year ended December 31, 2017 amounted to $65,136.

Future minimum lease payments required under all of the leases are as follows:

<tr>
<td>Total</td>

</tr>
</tbody>
</table>

Note 7 – Net Assets (Endowment Funds)

As described in Notes 8 and 9, the Presbytery has temporarily and permanently restricted net assets. These funds are invested in a common account managed by Comerica Bank according to investment policies determined by the Presbytery. The primary objective of these policies is to outline the investment objective of the Presbytery so that a maximum total rate of return will be realized given a level of risk consistent with the preservation of capital and anticipated future cash flow requirements. This objective is accomplished utilizing a balanced strategy of equities, fixed income securities and cash equivalents in a mix which is conducive to participation in rising markets while allowing for adequate protection in falling markets. Certain investments commonly known as alternatives are generally not allowed in the portfolio.

All of the temporarily and permanently restricted net assets are restricted by the donor whereby only the income may be spent for the purpose stipulated by the donor. The principal of the permanently restricted fund may not be spent below its original amount. The Presbytery has also followed the guideline that the principal amount of the temporarily restricted fund may also not be spent below its original amount.

Expenditures from the funds are dictated by the donor for the stated purpose and amount. Amounts are determined based on the investment performance of the managed Comerica account.

A summary of the activity in the Comerica account for the years ended December 31, 2017 and 2016 is as follows:

<table>

Presbytery of Detroit – Ranney-Balch Fund are available to provide aid to the aged, poor, and/or for the benefit of Christian work among Italian, Negro, and other underprivileged groups within the boundaries specified in this fund.

Presbytery of Detroit - Mission Fund represents funds (per capita, shared and directed missions, offerings, etc.) collected from the various church entities on behalf of General Assembly and the Synod. The fund balances as of December 31, 2017 and 2016 reflects excess dollars paid out during this time period than collected. The excess represents a temporary timing difference.

Note 12 – New Accounting Pronouncements

In July 2016, the FASB ASU 2016-2, Leases (Topic 842). The ASU requires that assets and liabilities be recognized from all leases, except for leases with a term of 12 months or less. The ASU is effective for fiscal years beginning after December 15, 2019.

Management is currently assessing the potential impact of the upcoming pronouncements to the Organization's accounting and financial reporting.

T-17 Policy Statement for Cash and Line of Credit

In the normal business operations of the Presbytery of Detroit cash and cash equivalents are kept in Bank checking and money market accounts.

A minimum cash balance of $200,000 or as determined by the Treasurer and the Financial Manager for normal business transactions should be kept at all times. (Seasonal requirements may vary)

When cash balances exceed these minimum requirements for a minimum of 30 to a maximum of 60 days these excess funds shall be invested in the general investment funds of the Presbytery of Detroit, as governed by the Board of Trustees Investment policy, (T-7).

The general investments funds will be held in a separate existing account for this purpose and will seek out high quality high yield investment vehicles with low fees.

When it is determined by the Financial Manager and the Treasurer that short term cash will be needed to fund near term cash transactions the bank line of credit will be the first account to be considered to provide short term funds.

If it is determined by the Finance Manager and The Treasurer that the better choice is to sell general investments to raise cash this shall also be permitted with consultation and review of the Investment Group. The total of the general investment fund shall not fall below $715,000 (to comply with the loan agreement). Transaction costs versus opportunity costs to be minimized where possible.

The Bank Line of Credit will be paid down as cash is received in the normal operations of the Presbytery of Detroit or if required by the sale of investments in the general investment funds.

18-A. Election of Ruling Elders and Deacons  
On Amending G-2.0401 (Item 06-11)

The 223rd General Assembly (2018) directed the Stated Clerk to send the following proposed amendment to the presbyteries for their affirmative or negative votes:

Shall G-2.0401 of the Form of Government be amended as follows? [Text to be deleted is shown with strike through; text to be added or inserted is shown in italic.]

“G-2.0401 Election of Ruling Elders and Deacons

“Ruling elders and deacons are men and women elected by the congregation from among its members. The nomination and election of ruling elders and deacons shall express the rich diversity of the congregation’s membership and shall guarantee participation and inclusiveness (F-1.0403). Ruling elders and deacons shall be nominated by a committee elected by the congregation, drawn from and representative of its membership. Congregations may provide by their own rule for a congregational nominating committee, provided that the committee shall consist of at least three active members of the congregation, and shall include at least one ruling elder who is currently serving on the session. Congregations may provide by their own rule for a congregational nominating committee. The rule shall meet the following criteria: (1) the minimum size of the committee as specified in the rule shall be at least three persons; (2) at least one member of the committee shall be an elder currently serving on session; and (3) a majority of those persons on the committee who are eligible to vote shall consist of persons not currently serving on session. The pastor shall serve ex officio and without vote. When elections are held, full opportunity shall always be given to the congregation for nomination from the floor of the congregational meeting by any active member of the congregation. A majority of all the active members present and voting shall be required to elect.”

Rationale

This proposed amendment originates from the Presbytery of Grace as Item 06-11. The Presbyteries of Grand Canyon, Muskingum Valley, Huntington, and de Cristo concurred. The Presbytery of Grace provided the following rationale [edited].

This proposed amendment clarifies the somewhat ambiguous language regarding the nominating committee membership.

The proposed changes set the minimum size of the nominating committee at three members, not including the pastor. This is ideal for small congregations yet also provides flexibility for churches to add more from this minimum.

The goal is to provide clarity while preserving the overall permission-giving nature of the Form of Government.

Advice from the Advisory Committee on the Constitution

The Advisory Committee on the Constitution advised the 223rd General Assembly (2018) to approve Item 06-11 as amended providing the following advice [edited]:

The Presbytery of Grace presents proposed language to clarify the minimum size of a congregational nominating committee and the requirement that a majority of the voting members of a congregational nominating committee be members-at-large of the congregation.

The proposed amendment provides helpful clarification to G-2.0401. The minimum size of a congregational nominating committee shall be three members, at least one member of which must be a ruling elder in active service on
The minimum size of three is appropriate for smaller congregations. There is no maximum size for a congregational nominating committee.

The proposed amendment adds clarity and is consistent with past practice. The majority of a congregational nominating committee should be members-at-large of the congregation, not ruling elders currently serving on the session.

The Assembly Committee on Church Polity and Ordered Ministry (06) voted to approve the proposed amendment as amended 54/0. The 223rd General Assembly (2018) approved the committee’s recommendation with amendment 478/3. (See Minutes, 2018, Part I, pp. 69, 72, 592.)

On Amending G-3.0104 (Item 06-16)

The 223rd General Assembly (2018) directed the Stated Clerk to send the following proposed amendment to the presbyteries for their affirmative or negative votes:

**Shall G-3.0104 of the Form of Government be amended by adding the following statement as the last paragraph to read as follows? [Text to be added is shown as italic.]**

“No congregation, session, presbytery, synod, or national office of the Presbyterian Church (U.S.A.), nor any individual acting on behalf of or in an official capacity for the above institutions, shall publicly endorse or oppose, or otherwise encourage or discourage others to vote for or against an individual running for public office.”

**Rationale**

The proposed amendment originates from the Presbytery of Western North Carolina as Item 06-16. The Presbytery of de Cristo concurred. The Presbytery of Western North Carolina provided the following rationale for Item 06-16 [edited].

Since 1954, the Johnson Amendment has been a provision in the United States tax code prohibiting charitable organizations, including churches, from endorsing or opposing political candidates. This allows for charitable organizations to qualify for tax exemption and qualifies donations to these organizations as tax-exempt. In recent years, there has been discussion regarding the repeal of this amendment; those in favor of repeal claim that the amendment infringes on the first amendment rights of clergy and other leaders of religious and charitable organizations while those in favor of maintaining the statute fear that a repeal would lead to religious and charitable organizations becoming safe-havens for tax-exempt and un-reported political contributions.

While full repeal of the Johnson Amendment has not yet come to fruition, action has been taken to loosen the interpretation and implementation of the statute when churches and secular charitable organizations are found to be in violation.

The Presbyterian Church (U.S.A.) has long supported the notion of the separation of church and state. We can see this throughout our Foundations of Presbyterian Polity. Section F-3.0101a and b affirms that “God alone is Lord of the conscience,” and that “We do not even wish to see any religious constitution aided by the civil power, further than may be necessary for protection and security, and at the same time, be equal and common to all others.”

While it is clear that the principles of this overture are present in abundance throughout the Book of Order and Book of Confessions, there is no explicit guidance offered to governing bodies or to those in leadership positions regarding endorsing or opposing candidates running for political office. This amendment to the Book of Order precludes such activity while still allowing for churches and leaders to actively engage with secular issues that touch on the life of faith, to work towards bringing God’s reign of justice and peace ever closer to reality.

**Advice from the Advisory Committee on the Constitution**

The Advisory Committee on the Constitution advised the 223rd General Assembly (2018) disapprove Item 06-16 providing the following advice [edited].

The Presbytery of Western North Carolina summarizes the history of the “Johnson Amendment,” and anticipates change to that statute. Because the Johnson Amendment has not yet been revoked or altered, it is premature for the assembly to address anticipated statutory change. The overture would reverse long-standing foundational principles of our denomination and have long-reaching effects on the church.

**Individual Discernment and Diversity of Religious Belief**

Presbyterians begin with a firm and fundamental belief in the private discernment of religious belief. Section F-3.0101 sets forth and affirms the historic principle that “God alone is Lord of the conscience” and that “in all matters that
respect religion” “we consider the rights of private judgment … as universal and inalienable.” Holy Scriptures are the only rule of faith, and church power in matters of religious belief is limited as explained in F-3.0107. This first historic principle of church order (F-3.0101) was affirmed and explained in the policy statement, “God Alone Is Lord of the Conscience.” The principle that God alone is Lord of the conscience both reflects and underlies many other foundational and confessional statements in the Presbyterian Church (U.S.A.).

“Religious bodies and people of faith hold to a wide variety of convictions, ideas, and values that make important contributions to the shape and strength of public life. That life has been shaped by individuals and groups that have sought to create new forms, sustain traditional ones, challenge existing ideologies and reform or resist unjust institutions. Participation is thus viewed by the government sometimes as a blessing and at other times as a threat” (God Alone, p. 48; see also F-1.404). Because the individual is the bearer of conscience, it does not matter whether others of the same faith make the same conscientious claim. God Alone, p. 19. “Religious tolerance and pluralism are our political and societal norm. We do not perfectly achieve that norm and intolerance has not been eliminated….” (God Alone, p. 7).

Formation of Conscience in Community

While Presbyterians emphasize individual belief, we also recognize the importance of community and our shared expression of belief. Discourse and expressions of diversity within the church are important to formation of religious conscience. As Presbyterians, we recognize that “The formation of conscience occurs in community, but its exercise is very often finally an individual matter” (God Alone, p. 19). It is a fundamental principle for our church and our country that “The individual’s right to believe cannot be divorced from the right to exercise that belief in the company and community of others. For nearly every human being, the right to practice religion only as a solitary individual is virtually no right at all” (God Alone, p. 12). “The exercise of individual and corporate conscience must be affirmed as an integral aspect of religious liberty.”

Separation of Church and State

The freedom to express religious views in public is as important as the freedom to determine religious beliefs for oneself. For Reformed Christians, “faith demands engagement in the secular order and involvement in the political realm” (God Alone, p. 48). The so-called “separation between church and state” is “particularly misleading when used to advocate the separation of religion from politics or from any other dimension of the public order. The First Amendment has never meant separation of religion from community or separation of the church from public life. On their face, the religion clauses [of the U.S. Constitution] constitute an absolute prohibition on government participation in religious life; there is no hint that that barrier was even thought to isolate religion from the life of the republic” (God Alone, pp. 47–48).

Responsibility for Involvement in Public Life

The freedom and responsibility to express religious and moral views in public is an important part of our denominational principles and history. The Gospel demands that we share our faith and that we seek to be a community of faith witnessing to God’s good news and Christ’s teachings to the world in words and deeds. According to the Reformed tradition and standards of the Presbyterian Church (U.S.A.), “it is a limitation and denial of faith not to seek its expression in both a personal and public manner, in such ways as will not only influence, but transform the public order and involvement in the political realm” (God Alone, p. 48). This principle reflects our foundational statements (F-1.0301, F-1.0304, F-1.0404), other parts of the Book of Order (e.g., W-5.0304), and our long-standing and important history of social witness to world.

Endorsement or Opposition to Political Candidates

“For these reasons, limitations upon the freedom of religious bodies to participate in public life are illegitimate and unconstitutional. The church is bound to reject any regulation limiting church advocacy or particular legislation or endorsement of candidates, or establishing religious qualifications for office holders” (God Alone, p. 50). Over the centuries, Presbyterians have stood up and spoken out against those who would silence the church and the faithful.

Internal Revenue Code provisions that limit tax-exempt religious organization from devoting “substantial” activity to attempts to influence legislation or participate or intervene in political campaigns on behalf of any candidate for public office, as well as recent public debate, heighten concerns about religious discourse about public life. There is a difference between discussion of issues and candidates, on one hand, and intervention in campaigns on behalf of specific candidates on the other” (God Alone, p. 50).
The 200th General Assembly (1988) specifically affirmed that: “We recognize that speaking out on issues will sometimes constitute implicit support or opposition to particular candidates or parties, where policy and platform differences are clearly drawn. Since such differences are the vital core of the political process, church participation should not be curtailed on that account; but we believe that it is generally unwise and imprudent for the church explicitly to support or oppose specific candidates, except in unusual circumstances” (God Alone, p. 50).

Each council should be mindful of these foundational principles and historical practice. “It is easy to step from advocating our vision to seeking to enforce it, from protecting religious liberty to requiring ‘right’ belief and action. The church must advocate its positions on public issues, but it should not seek to exercise political authority in its own right” (God Alone, p. 50).

Endnotes

1. God Alone Is Lord of the Conscience is a policy statement of Presbyterian Church (U.S.A.) adopted by the 200th General Assembly (1988), and affirmed or cited by numerous subsequent General Assemblies and entities of the church. Hereafter “God Alone.”

2. Section F-1.0301 states the “Calling of the Church” is to be a community of faith, a community of hope, a community of love, and a community of witness. “The Great Ends of the Church” (F-1.0304) include “the promotion of social righteousness; and the exhibition of the Kingdom of Heaven to the world.” Section F-1.0404 explains the “Church seeks a new openness to God’s mission in the world.”

3. See, e.g., the Theological Declaration of Barmen and the Confession of 1967, which can be found in the Book of Confessions.

4. “The church is always obliged to respect claims of conscience lest it frustrate efforts to obey the will of God. We need not agree with the specific dictates of another’s conscience to respect and support the right to exercise that conscience. Paul told Christians that they were freed from Jewish dietary laws, but if the conscience of another is offended by eating certain foods, ‘for conscience sake—I mean his conscience, not yours—do not eat it’ (1 Corinthians 10:28–29). The obligation to respect the exercise of conscience is not only a dynamic of life within the church; it is both a demand and a dilemma of the First Amendment’s protection of religious freedom” (God Alone, p. 18).

Advice from the Advisory Committee for Social Witness Policy

The Advisory Committee for Social Witness Policy advised the 223rd General Assembly (2018) to approve 06-16 with suggested amendment providing the following advice [edited].

The Advisory Committee on Social Witness Policy (ACSWP) advises approval as amended below: [Text to be deleted is shown with a strike-through and with brackets; text to be added or inserted is shown with an underline and with brackets.]

“[No] [Except in cases of extreme danger to the common good, and even then with cautions against extreme partisanship, no] congregation, session, presbytery, synod, or national office of the Presbyterian Church (U.S.A.), nor any individual acting on behalf of or in an official capacity for the above institutions, shall publicly endorse or oppose, or otherwise encourage or discourage others to vote for or against an individual running for public office.”

The substantial and generally fine General Assembly social witness policy on church/state relations, God Alone Is Lord of the Conscience (1988; https://www.presbyterianmission.org/wp-content/uploads/1-god-alone-is-lord-1988.pdf) refuses to limit prophetic religious speech, but also recognizes the wisdom of our predominant practice. “The church is bound to reject any regulation limiting church advocacy or particular legislation or endorsement of candidates, or establishing religious qualifications for office holders.” But then, “There is a difference between discussion of issues and candidates, on one hand, and intervention in campaigns on behalf of specific candidates on the other.” And further, “… we believe that it is generally unwise and imprudent for the church explicitly to support or oppose specific candidates, except in unusual circumstances” (all three quotes from page 50).

The General Assembly spoke to the issues involved in the Tax Justice policy of 2014, reaffirming the principles behind the current 501.c.3 category, and further addressing the abuse of the 501.c.4 category of “social welfare institutions” for political purposes and personal enrichment:
Rules governing tax-exempt “social welfare organizations” (501(c)(4)s) should exclude or strictly limit the eligibility of donations for partisan political purposes, parties and candidates, and the individual and corporate donors to or through such organizations should be made public due to their influence on the political process (http://www.pcusa.org/site_media/media/uploads/acswp/pdf/acswp_tax_justice_.42.pdf, p. 4).

The 222nd General Assembly (2016) addressed this matter even more directly, responding to Supreme Court decisions in the Citizens United and Voting Rights Act cases, which intensified the role of money in politics:

[The Assembly:] Endorses the continuing prohibition of partisan political endorsements by religious organizations or their leadership and other measures to respect both religious liberty and the separation of church and state. The Presbyterian Church (U.S.A.) strongly supports the freedom of religious organizations to speak on matters of policy, but personal endorsements and partisan ties may present the appearance of or opportunity for collusion, special treatment, and the violation of nonprofit tax status. https://www.presbyterianmission.org/wp-content/uploads/Election-Protection-and-Integrity-in-Campaign-Finance-2016-ACSWP.pdf, pp. 2–3)

The Assembly Committee on Church Polity and Ordered Ministry (06) voted to approve the proposed amendment as amended 31/24. The 223rd General Assembly (2018) approved the committee’s recommendation with amendment 370/99. (See Minutes, 2018, Part I, pp. 73, 611.)

18-G. Disciplinary Offense

On Amending D-2.0203b (Item 06-04)

The 223rd General Assembly (2018) directed the Stated Clerk to send the following proposed amendment to the presbyteries for their affirmative or negative votes:

Shall D-2.0203b of the Form of Government be amended as follows? [Text to be deleted is shown with strike-through; text to be added or inserted is shown as italic.]

“b. An offense is any act or omission by a member or a person in an ordered ministry of the church that is contrary to the Scriptures or the Constitution of the Presbyterian Church (U.S.A.). Sexual abuse as defined in Section D-10.0401c shall be considered contrary to the Scriptures or Constitution of the Presbyterian Church (U.S.A.), and therefore an offense for purposes of these rules.”

Rationale

This proposed amendment originates from the Presbytery of North Alabama as Item 06-04. The Presbyteries of Albany, Boise, Grand Canyon, Huntington, and de Cristo concurred. The Presbytery of North Alabama provided the following rationale [edited].

A recent ruling by a synod permanent judicial commission effectively indicated that actions in violation of a council’s sexual misconduct policy are not under the jurisdiction of the Rules of Discipline unless those actions are explicitly specified as contrary to the Scriptures or the Constitution. The Constitution of the Presbyterian Church (U.S.A.) requires “all councils shall adopt and implement a sexual misconduct policy and a child and youth protection policy” (Book of Order, G-3.0106). In order to meet this requirement, actions or omissions in violation of these policies must have the capacity to be addressed through our disciplinary process; otherwise the policies are unenforceable. Furthermore, it should be implicit that actions that violate constitutionally required policies are by their very nature contrary to the Scriptures or the Constitution. Decisions in prior disciplinary cases have supported this concept.

The members and congregations of the Presbytery of North Alabama wish to stringently affirm that sexual misconduct is sin. We believe past failure to confront this behavior has led to injustice and discord within the church, and scrutiny and litigation from without. We humbly ask the Presbyterian Church (U.S.A.) to take an unequivocal stand for justice by equating this sin as an implicit violation of scriptural norms and constitutional ordination vows.

Advice from the Advisory Committee on the Constitution

The Advisory Committee on the Constitution advised the 223rd General Assembly (2018) to disapprove Item 06-04 with comment. They provided the following advice [edited].

The Advisory Committee on the Constitution advises the 223rd General Assembly (2018) to disapprove Item 06-04 with the following comment.

“We must consider all acts involving sexual misconduct as contrary to the Scriptures and the Constitution of the PC(USA).”

Scriptures and the Constitution do not condone sexual misconduct or the abuse and endangerment of children and youth. Many acts involve impermissible sexual overtures, force, and misconduct. The assembly is reminded that the Constitution is not an enumeration of specific permitted or prohibited conduct, but rather a guide for all councils in administering their mission. Each council should be mindful that any act of sexual misconduct or child abuse is in violation of the Constitution. By singling out a particular violation of a particular policy, an inference might be made that violations of other policies are not contrary to the Scriptures and the Constitution.
Councils have the authority to establish and enforce their policies. Not all violations of a particular policy may be found to be contrary to Scripture or the Constitution. Violation of a council's sexual misconduct and/or child and youth protection policy may be procedural and may not rise to the level of a constitutional offense. The Rules of Discipline set forth the process for determining proof of an alleged offense, including sexual misconduct.

The assembly may consider admonishing all councils and judicial commissions that sexual misconduct is contrary to the Scriptures and the Constitution and that all councils are required to adopt and implement a sexual misconduct policy and/or child/youth protection policy (G-3.0106).

Alternatively, the assembly may consider referral of this item to the Task Force on the Rules of Discipline for report to the 224th General Assembly (2020).

**Advice from the Advocacy Committee on Women’s Concerns**

The Advocacy Committee on Women’s Concerns advised the 223rd General Assembly (2018) approve Item 06-04 providing the following advice [edited].

The Advocacy Committee for Women’s Concerns (ACWC) agrees that any act or omission prohibited by the council of authority’s duly adopted sexual misconduct policy and/or child and youth protection policy should be considered contrary to the Scriptures or Constitution of the Presbyterian Church (U.S.A.) and therefore an offense for purposes of these rules. ACWC agrees with this overture that past failure to confront sexual misconduct has led to injustice and discord within the church, and scrutiny and litigation from without.

Because all sexual abuse is, at the core, an abuse of power, certain populations are more vulnerable to such abuse. For instance, children and youth, developmentally disabled adults, and immigrant night shift workers are often the targets of sexual misconduct. Gender inequities rooted in theological misunderstandings based in patriarchy leave women within the church particularly vulnerable to sexual misconduct, not only from other clergy, but also to sexual harassment from male members of their congregations. It is essential that the Presbyterian Church (U.S.A.) take an unequivocal stand for justice by equating sexual misconduct to be an implicit violation of scriptural norms and constitutional ordination vows.

The Assembly Committee on Church Polity and Ordered Ministry (06) voted to approve the proposed amendment as amended 53/0. The 223rd General Assembly (2018) approved the committee’s recommendation with amendment 416/13. (See Minutes, 2018, Part I, pp. 70, 570.)

### Ministry Team: Committee on Representation

Please review your objectives and outcomes. An objective is a plan stated to reach a desired outcome or end. An outcome is a positive change stated as a completion (Gil Rendle). Objective example: two training events for Holy Conversations consultants. Outcome example: six congregations started a new mission project with community partners.

### Goals 2020

1. Nourish relationships between people, churches, and ministries.
2. Develop a communication action plan promoting fluency and positive messaging in the language of 21st century communication and social media.
3. Emphasize the sacredness of time in how we schedule, construct, and conduct the work of the presbytery.
4. Emphasize inclusivity of ideas new and old from diverse groups to promote a more unified and collaborative body to serve Christ and our congregations.

COM appreciates the support of the presbytery!
**Strengthening and transforming our congregations to be MISSIONAL, PASTORAL, and PROPHETIC.**

Through all times and places, God has called women and men to be transformative in their particular time and place. Just as God called a people out of bondage in Egypt and just as God opened the ears of all to hear the gospel on the Day of Pentecost, so God is continuing to call and send us out into the freedom of new life in Christ. Trusting in God, the Presbytery of Detroit submits to the transforming work of Jesus Christ in this time and place. In gratitude for all signs of God’s grace, we will seek to continually recognize and celebrate manifestations of the Kingdom of God in our midst.

# Presbytery of Detroit Ministry Team Budget Proposal 2019

**Strengthening and transforming our congregations to be MISSIONAL, PASTORAL, and PROPHETIC.**

Through all times and places, God has called women and men to be transformative in their particular time and place. Just as God called a people out of bondage in Egypt and just as God opened the ears of all to hear the gospel on the Day of Pentecost, so God is continuing to call and send us out into the freedom of new life in Christ. Trusting in God, the Presbytery of Detroit submits to the transforming work of Jesus Christ in this time and place. In gratitude for all signs of God’s grace, we will seek to continually recognize and celebrate manifestations of the Kingdom of God in our midst.

**MULTI-YEAR CONSIDERATIONS**

The CAT is an important tool that congregations can use in preparing to call a pastor, exploring new mission and ministry, and to assess the energy and satisfaction of a congregation in considering options of viability. As use of the CAT grows, more money to support grants may be needed given the $20,000 cut for 2019. In addition, funding may be also needed to train our own consultants to present the CAT results, as the $5000 originally allotted for this but now supports the CAT grants themselves.

Please review your objectives and outcomes. An objective is a plan stated to reach a desired outcome or end. An outcome is a positive change stated as a completion (Gil Rendle). Ministry Team: Social Justice 2019

Hunger WG

To witness to the Good News of the Gospel by working to alleviate hunger and eliminate its causes. This will occur through providing financial support to partner congregations and three non-partner congregations so that they can meet the needs in their communities. This will also occur by educating individuals and churches on the issues that affect hunger and poverty.

22,500

Through our Hunger Action Coordinator many congregations will be educated and assisted as the presbytery works collaboratively with them as we join together in serving those in need.

37,695

Through Events and Multi-church gatherings, during 2019 we will educate, guide congregations in visioning and prayer and start beginning steps with them so that congregations and individuals can develop action steps as they work for water justice, take part in water advocacy and respond as crises occur in the POD and the Flint communities.

Water Justice WG

Immigration Justice

Water Justice WG seeks to do third things during their first year. 1) Mobilize: We will train members of the POD to talk to local law enforcement as community members and their expectations for acceptable Policing practices unacceptable. 2.) Put pressure on state representatives to pass legislation for drivers licenses to be issued for those not here legally as this is a public safety issue. 3.) Support a fellowship for legal aid for those children in immigration without an attorney present. We expect one lawyer serving 25 children over a one year term. (It is expected that we will fund a fellowship at a later date which likely will be at a cost of $50,000 which isn't in this budget.

Since we are giving two grants out to new innovative communities this year (plus one ecumenical grant) and have additional applicants who will not receive a grant in 2018, we will continue to need more funding for second and third tier grants down the road in 2020 and beyond.

Sessions/Congregations

From Operations

We provide support for Clerks in their responsibilities of reviewing minutes.

From Congregational Development and Transformation:

**Holy Conversations:** A congregational consulting and discernment process that seeks God’s vision for the future of a congregation, leading to a new vision and mission statement, and at least one new ministry project that engages the neighborhood.

**Strategic Planning:** assist congregations in creating church-wide goals and plans to implement them.

**Mission Insite:** This gives session and pastors access to demographic data that can be used for many different purposes.

**Church Development/Transformation Consultation:** tools are made available to assist in congregational discernment and development. These include connecting congregations with Holy Cow resources including CAT and consultants.

**Congregational Grants:** The Congregational Development & Transformation Ministry Team has grants available to churches who are seeking to do a new project in their community to show the love of Christ to their neighbors.
From Leadership Equipping

Leadership Training Day: We organize a leadership training day focusing on lay leaders. Workshops are offered that will equip persons to perform ministry in such a manner that will strengthen congregations. The goal is to provide church leaders with ideas, information and inspiration.

Stewardship: We provide educational events that help congregations learn how to run a strong stewardship campaign. We help persons understand that being a steward is a “way of life” and it is more than giving money. We provide consulting services with congregations upon request.

From Committee on Ministry

Pastoral Issues: We work with churches who are looking for a new pastor, saying goodbye to a pastor, or seeking an interim or temporary pastor. We work with pastors and sessions to have smoother relationships, do evaluations, write contracts and figure out the right compensation and write job descriptions. If there’s conflict or a concern, we can help with that. We also support clergy in finding clergy coaches and can help with the payment. Or if you think that your church simply needs refreshing we can assist with that too.

Sexual Misconduct: The COM provides support to congregations and individuals where there are accusations of clergy sexual misconduct.

Safe Church Policies: These include Creating Sexual Misconduct Policies, Essentials for Church Child Protection Policy, Definitions-Creating Safe Ministries, Examples of Reporting Sexual Misconduct, Prevention-Creating Safe Ministries, We Won’t Let It Happen Here and Why We Need Policies

From Committee on Preparation for Ministry:

Members seeking ordination: The Committee for Preparation for Ministry (CPM) works with individuals seeking to be ordained as a Minister of Word and Sacrament (Teaching Elder) in the Presbyterian Church (U.S.A.) and with Commissioned Ruling Elders (CREs) who serve in a limited pastoral role. CPM also works with sessions when a member of their church desires to explore a call to ministry as a Minister of Word and Sacrament or a CRE.

From Trustees

Property Assistance: The trustees offer a boiler-plate contract for those using church property, a revocation of property use document, a request for permission to enter into a real estate transaction and another for permission to borrow (both are necessary for all real estate transactions entered into and loans taken out by POD congregations), a self-study for viability of building projects, a Loan Application form for General Assembly Loans, and a checklist for PILP Loans (www.pilp.pcusa.org for more information). Trustees also oversee per-capita, including receiving, recording and distributing it to presbytery and other governing bodies.

Assistance with church mergers/closings: This is conducted by the P-21 workgroup. P-21 will assist churches in exploring their long-term viability and offering insight into future possibilities. It will also assist in the legal dissolution of congregations.
From Multicultural Ministries:

**Multicultural Resources:** This Team offers a packet for a Virtual Multicultural Ministries Workshop, Fifth Sunday Resources (concerned with Asian American issues) and an article on understanding the Belhar Confession.

We provide training for safe food handling practices, advice on community gardens, networking for food sharing, and provide support for congregations feeding people in areas of need. We offer opportunities to serve in direct hunger relief in our presbytery and can advise congregations on how to make a sustainable impact internationally.

These funds are intended “...for the aid of aged poor of the congregations of the Presbytery of Detroit and/or for the benefit of Christian work among Italian, Negro and other under privileged groups within the bounds of said presbytery...” (from the will that established the fund).

JUDGMENT

Whereas, you, Fairfax F. Fair, have been found guilty of Charge II, the offense of failing to act as friend among your colleagues in ministry at First Presbyterian Church, Ann Arbor, and failing to create a work environment of respect and collegiality among church staff, and of creating a hostile work environment, and by such offense you have acted contrary to the Scriptures and the Constitution of the Presbyterian Church (U.S.A.), (W-4.0404e, Romans 12:10, Galatians 5:13-15, 1 Peter 2:17, Philippians 2:3-5, Leviticus 19:15-18); now, therefore, the Permanent Judicial Commission the Presbytery of Detroit, in the name and authority of the Presbyterian Church (U.S.A.), expresses its condemnation of this offense, rebukes you, and orders you to satisfactorily complete a program of supervised rehabilitation supervised by the Committee on Ministry of the Presbytery of Detroit per the Consent Agreement below, which was submitted and approved by the parties, and which is hereby approved and incorporated into this judgment.

Charges I and III are dismissed with prejudice.

Permanent Judicial Commission
Presbytery of Detroit
CONSENT AGREEMENT

THIS CONSENT AGREEMENT (“Agreement”) is entered into by and between the Reverend Dr. Fairfax F. Fair (“Dr. Fair”)1 and the Presbytery of Detroit (the “Presbytery”) (each of them a “Party”).2 The Parties, for good and valuable consideration, the adequacy of which is hereby acknowledged, now agree as follows:

1. The Presbytery initiated an investigation and filed charges3 in a disciplinary case against Dr. Fair. The “Disciplinary Case” is pending before the Permanent Judicial Commission of the Presbytery of Detroit (the “PJC”) and is identified as “Presbytery of Detroit v. Rev. Dr. Fairfax F. Fair, Case No. 2018-01.”

2. Dr. Fair disputed the charges in the Disciplinary Case and pled “not guilty.”

3. Recognizing the expense, effort and uncertainty involved in proceeding to trial; the short- and long-term detrimental effects that a trial would likely have on First Presbyterian Church of Ann Arbor, Michigan (“First Presbyterian Church”), whose members and staff would find themselves testifying on both sides of this dispute; and recognizing that the goals of discipline in the Presbyterian Church (U.S.A.) include honoring God, achieving justice and compassion for all the participants involved, bringing members to repentance and restoration, building up the Body of Christ, not destroying it, and redeeming, not punishing, the Presbytery and Dr. Fair have agreed to conclude the Disciplinary Case on the basis of their agreement to do the things described herein below.

4. This Agreement will be effective when it is signed by the Parties and approved by the PJC. If this Agreement is not approved by the PJC, this Agreement shall be null and void, and the

---

1 Dr. Fair is represented by her counsel, Judy L. Woods and David Deromedi.

2 The Presbytery is represented by a Prosecuting Committee, whose members are Charon Barconey and Dan Michalek, and its counsel Marianne Grano.

3 The charges have been amended twice by the Prosecuting Committee. All references to the "charges" are to the Second Amended Charges unless otherwise noted.
Parties shall be returned to their positions as if this Agreement had not existed. Neither this Agreement, nor any portion or term of this Agreement, shall be admissible in any ecclesiastical or secular court or proceeding, except by a Party to enforce its terms.

The Charges

5. Charge I alleges that Dr. Fair misrepresented the circumstances related to announcement of the dissolution of the call of Dr. James Monnett to serve in a validated ministry at First Presbyterian Church. Charge I shall be dismissed in its entirety with prejudice.

6. Charge II alleges that Dr. Fair did not act as friend among her colleagues in ministry at First Presbyterian Church, and failed to create a work environment of respect and collegiality among church staff. Dr. Fair has agreed to plead guilty and accept the censure of rebuke with supervised rehabilitation (as described herein below) to Charge II.

7. Charge III alleges that Dr. Fair failed to require the Clerk of Session of First Presbyterian Church to take minutes at executive meetings of the session in accordance with Robert’s Rules of Order. Charge III will be dismissed in its entirety with prejudice.

The Agreed Form of Censure

8. Dr. Fair shall be subject to the censure of “Rebuke with Supervised Rehabilitation” (the “Censure”), which censure shall be carried out as provided in Book of Order D-12.0103. The Censure shall not exclude Dr. Fair from the exercise of ordered ministry.

9. Dr. Fair intends to seek dissolution of her call to First Presbyterian Church and move her residence to the Presbytery of New Covenant. The Presbytery of Detroit shall not object to Dr. Fair’s move to Houston, which may occur at any time of Dr. Fair’s choosing.

10. Dr. Fair agrees to not seek or accept any call to installed ministry within the Presbyterian Church (U.S.A.) beginning on the Effective Date of this Agreement and continuing until such time as she has successfully completed the “Rehabilitation Plan” outlined herein below. This
period of time shall be referred to as the “Rehabilitation Period.” During the Rehabilitation Period, Dr. Fair may exercise her ordained office, as a member at large of the Presbytery of Detroit; may participate and vote at Presbytery meetings (provided the subject matter of any such meeting does not pertain to her); may preach and serve in temporary pastoral relationships as provided in G-2.0504b; and if requested to do so and with the written approval of the Presbytery’s Committee on Ministry (“COM”), may administer communion and perform baptisms.

11. Dr. Fair agrees to and shall fulfill in good faith each and all of the steps outlined herein below as the “Rehabilitation Plan.” The Presbytery and COM agree to work in good faith to fulfill their obligations under this Agreement.

12. The Stated Clerk of the Presbytery shall comply with the requirements of the BOOK OF ORDER in reporting to the Presbytery any orders of the PJC with respect to this Agreement and the completion of its terms.

The Rehabilitation Plan

13. Supervision. The Presbytery’s COM shall appoint one of its members who is a Minister of the Word and Sacrament to act as the Presbytery’s liaison with Dr. Fair during the Rehabilitation Period in order to facilitate communication with Dr. Fair and to receive any reports or requests from Dr. Fair (the “COM Liaison”).

14. Personal Counseling. Dr. Fair agrees to participate in a course of counseling with a qualified mental health professional of at least 24 sessions to address issues related to Charge II, including discussion of developing and maintaining personal relationships in a work environment and collaboration with co-workers and the use of power and authority in a Christ-like model of servant leadership. The sessions may be scheduled weekly or more or less frequently as may be recommended by Dr. Fair’s mental health professional, with the expectation that the sessions will span about six months. Dr. Fair has selected Rev. Dr. Joseph S. Spidell as her mental health professional. If for any
reason Dr. Spidel cannot serve as Dr. Fair’s mental health professional, a substitute mental health professional shall be selected by Dr. Fair, and Dr. Fair shall notify the COM of the substitution. The COM reserves the right to disapprove any substitute mental health professional on the basis of her/his lack of professional qualifications or experience, but shall not unreasonably withhold its approval. The specific course of Dr. Fair’s counseling shall be developed between Dr. Fair and her mental health professional and shall remain confidential between them. The mental health professional shall be provided with a copy of the charges as presently filed in the Disciplinary Case and a copy of this Agreement. The mental health professional shall provide a confidential report to the COM when at least twelve counseling sessions have been completed and at the conclusion of 24 sessions. The reports shall state whether Dr. Fair has engaged in good faith in the counseling sessions as required by this Agreement, but shall not reveal any confidential communications between the mental health professional and Dr. Fair.

15. Educational Activities. Dr. Fair agrees that she shall attend two of the following continuing pastoral education activities:

- November 6-7, 2018, Stepping Up to Staffing and Supervision, Washington D.C., 2-day workshop lead by Rev. Dr. Susan Beaumont (formerly of the Alban Institute).

- Leadership In Ministry, April 8-10, 2019, part I of II, 3 day workshop offered by Columbia Theological Seminary

- Leadership In Ministry, October 14-16, 2019, part II of II, 3 day workshop offered by Columbia Theological Seminary

- Transitional Ministry Workshop February 11-14, 2019, 4-day workshop offered by Menucha Retreat and Conference Center, Portland, Oregon

In the event one or more of these workshops is not available, Dr. Fair will seek a comparable program and submit the brochure for the substitute program to the Presbytery’s COM,
which shall not unreasonably withhold its approval for the substitution.

16. **Payment for the Rehabilitation Plan.** Nothing in this Agreement shall preclude Dr. Fair from participating in any continuation of health care or similar benefits available to Dr. Fair to the extent that she is eligible to do so under the terms of any such plan, including any such benefits offered by the Board of Pensions of the Presbyterian Church (U.S.A.), and Dr. Fair may utilize such benefits to the extent they are available to cover the expenses of this Rehabilitation Plan, including the costs of counseling. Dr. Fair shall utilize the 2018 continuing education allowance paid to her by First Presbyterian Church in the amount $3,500 to pay the cost of the Educational Activities, including tuition, registration, housing, meals, travel or other costs associated with the Educational Activities.

17. **Conclusion of Rehabilitation.** When Dr. Fair has fulfilled the Personal Counseling and Educational Activities requirements of this Rehabilitation Plan, she shall submit a written statement of completion to the Presbytery’s COM (the “Completion Statement”). This Completion Statement shall include proof of attendance at the Educational Activities and a statement from Dr. Fair’s mental health professional that the requisite counseling sessions (as described in paragraph 14 above) have been satisfactorily completed. The COM Liaison shall submit Dr. Fair’s Completion Statement to the COM for its final approval. The COM shall review the Completion Statement and confer with the COM Liaison, to determine whether Dr. Fair has satisfactorily completed the requirements of this Rehabilitation Plan. The COM shall act in good faith in determining whether to approve the Completion Statement and shall not unreasonably change the terms of the Rehabilitation Plan. After COM has received and approved the Completion Statement, the Presbytery’s Stated Clerk shall announce the completion of Dr. Fair’s Rehabilitation Plan at the next regularly scheduled Presbytery meeting, and the records of the Presbytery shall reflect these actions.

18. In the event that Dr. Fair fails to complete the Rehabilitation Plan on or before November 1, 2019, or within a reasonable time thereafter, Dr. Fair agrees to meet with COM promptly
and the COM or its designees and Dr. Fair shall work in good faith to address any failure to complete the Rehabilitation Plan. The decision as to whether Dr. Fair has satisfactorily completed the Rehabilitation Plan rests with the COM, and the COM shall not transfer Dr. Fair’s membership to another Presbytery until she has completed the Plan. Once Dr. Fair has completed the Rehabilitation Plan, the Presbytery of Detroit shall transfer her membership to the Presbytery of New Covenant or such other Presbytery as Dr. Fair may request in writing.

19. The Parties represent and affirm that they have not filed any complaints, actions, charges, causes of action, or remedial or disciplinary complaints against any other Party regarding any matter which occurred on or before the Effective Date of this Agreement with any local, state, federal or ecclesiastical agency, office, entity, commission, committee or court, and the Parties agree that any such complaint, action, charge, cause of action or disciplinary or remedial complaint shall be withdrawn and dismissed with prejudice before this Agreement shall be deemed effective.

20. The Presbytery agrees to provide to Dr. Fair’s counsel a true and correct copy of her entire personnel file as maintained by the Presbytery within at least ten business days of the Effective Date of this Agreement. Within ten business days of receiving a copy of her personnel file, Dr. Fair may insert into her file a response to any document presently in her Presbytery personnel file.

21. Each Party represents that she or it has carefully read this Agreement; fully understands all of the terms and provisions of this Agreement and the Agreement’s binding effect; is entering into this Agreement voluntarily and without coercion or duress; has not relied and may not rely upon the legal or other advice of any other Party or any other Party's counsel in entering into this Agreement; each Party has had the opportunity to negotiate fully the terms of this Agreement and its terms shall be interpreted and construed without any presumption or inference based upon or against the Party causing this Agreement to be drafted; no other person or entity has any interest in the matters addressed in this Agreement, and no Party has assigned or transferred or purported to assign or transfer, to any person or entity, any claim, right or benefit under this Agreement.
22. This Agreement reflects and contains the entire Agreement between and among the Parties, and no statements, promises or inducements made by or on behalf of a Party or any Party’s counsel or representatives that are not contained in this Agreement or the attachments to it shall be binding. No amendment or modification to this Agreement shall be effective unless and until agreed to in writing and signed by all the Parties. To be effective, a waiver of any right under this Agreement must be in writing and signed by the waiving Party, and a waiver of any right shall not be deemed a waiver of other rights, including rights as may relate to future or continued performance of this Agreement.

23. The Parties agree promptly and in good faith to execute and deliver such documents and to do such acts and things as may be necessary or appropriate to carry out the purposes and intent of this Agreement, although such documents, acts, and things may not specifically be mentioned in this Agreement.

24. This Agreement shall inure to the benefit of and be binding upon the Parties’ respective heirs, executors, administrators, successors and assigns.

25. This Agreement shall be governed by the BOOK OF ORDER of the Presbyterian Church (U.S.A.), and to the extent secular law is applicable, by the laws of the State of Michigan, without regard to its choice of law of provisions.

26. This Agreement may be prepared in multiple counterparts, each of which shall be deemed to be an original, and all such counterparts together shall constitute one Agreement. Each person signing this Agreement represents and warrants that he or she is duly and fully authorized to enter into and execute this Agreement, as a binding commitment on behalf of the Party for which he or she purports to act.
