- **4:00 - 5:00 p.m.** - **Eight Trends Changing and Challenging the 21st Century Church**  
As Americans, what does it mean to be the church of Jesus Christ today? 2017 marked the 500th anniversary of the Protestant Reformation, a series of momentous events that changed Christendom. Some church historians are arguing that we are in a similar time. Together, we will explore eight trends that are changing and challenging what it means to be “the church” today.
- **5:00 - 6:00 p.m.** - **Dinner and Table Conversations in the Social Hall (\$10 per person)**
- **6:00 - 8:00 p.m.** - **Growing a Faith that Matters**  
Church leader Saint Augustine wrote that “Our hearts are restless, until they rest in you, O God.” Restless hearts belong to us all at times but especially so for many of our children and young people. Together with our youth we will explore what it means to grow a deep and vibrant faith in Jesus Christ so that all ages come to rest in their primary identity as belonging to God.
