

Kirk in the Hills hosts a

Daffodil Sunday Service

**April 29 at 2:00 p.m.
Cedarholm Chapel**

Traditionally the first Sunday in April in England was "Daffodil Sunday," and people would pick daffodils from their homes and surrounding fields to take to the hospitals in London.

As the first flower of spring, the daffodil is a symbol of hope. In the face of cancer, it represents the hope we all share for a future where cancer is no longer a life-threatening disease.

**Come remember or honor those whose lives
have been touched by cancer in a service of
hope and prayer.**
