

One of the tools the Congregational Development and Presbytery has provided for our Congregations is a Demographic Plus program called Mission Insite.

Mission Insite has updated their website, and provided a new interface, and more services. If you, or a member of your congregation, have an interest in knowing your neighborhood, I would encourage you to sign up for one of these webinars. It takes an hour at your computer. Please Contact me if you need more information. Richard Brownlee, Consultant for Transformation. Cell: 419-450-0466 Email: [rbrownlee@toast.net](mailto:rbrownlee@toast.net)

### Learning Objectives:

- *Get an Introduction to the new interface*
- *Gain an understanding of the navigation and core functions*
- *Learn about Plotting People, Demographics, Thematic Mapping, **MinistryInsite & ReligiousInsite Reports**, Opportunity Scan and more*
- *Learn about the New Capabilities included*

Our goal is for participants to leave the webinar and be in a position to begin using the new platform right away. Additionally, you will have the opportunity to ask any questions you may have.
