

A website has been created for our Member Referral Service. Member Referral Service is a tool designed to assist recently relocated church members, greeting them as they enter new communities and welcoming them to a new congregation of faith. We would love it if you would spread the word to your churches that they can now fill out cards directly online instead of mailing cards in. Feel free to add a link on your presbyteries website as well. This is a wonderful under used opportunity for churches. In 2008, only 48 churches took advantage of this free service, compared to 115 in 2006. This is a wonderful evangelism tool that churches don't utilize.
