

Detroit Presbytery Service Initiative

Detroit Presbytery Service Initiative (DPSI) is a Hands On Mission endeavor developed to coordinate mission activities for the Presbytery. Presbytery of Detroit supports churches in the achievement of mission by arranging lodging, accommodations for meal preparations and access to showers. Hands On Mission plans, identifies and coordinates mission work projects and daily schedules for visiting mission groups. Interested churches use the National Volunteer Office (NVO) mission trip listing to find projects. The NVO listing is accessible on the www.pcusa.org website.

Presbytery: 17575 Hubbell, Detroit, MI 48235
