

Introducing the Motor City Mission Corps! Can You Help?

The Motor City Mission Corps is a new initiative of the Presbytery of Detroit, which is inviting young adults to move to Detroit for a year in mission. Young adult participants will live together, explore spiritual formation and vocational discernment, and work alongside four non-profit organizations which are reducing blight and poverty: 1) Cass Community Social Services, 2) Motor City Blight Busters, 3) Presbyterian Villages of Michigan, and 4) Westminster Presbyterian Church (Detroit).

We need your help to launch this new vision:

As you know, new ministries have significant startup costs. Our site partners, young adult participants, and the Presbytery of Detroit will help with the funding. But right now, we are working to reach some initial, financial benchmarks to launch our ministry and make it strong for years to come. Can you help us with a personal donation? Can you or your church help us organize a fundraiser? Checks can be made out to the Presbytery of Detroit with "Motor City Mission Corps" in the memo line. They can be mailed to Pat McBride, Accounting Manager, here:

If you know young adults who would benefit from a year of service with the Motor City Mission Corps, please tell them about this opportunity. Housing and a monthly stipend will be provided. If you'd like more information, please contact the Rev. Kara Hildebrandt at revkarahildebrandt@gmail.com or visit our website at www.motorcitymissioncorps.org.

We also invite you to create an announcement in your worship bulletin about our new ministry.
