

Make Cents!

Cents-Ability is the first step in the battle against hunger. Members of all ages are invited to contribute a few cents at every meal as an expression of thanksgiving for what

we have received. It is also a commitment to share with others in response to Jesus' command "You give them something to eat."

This small act of faithfulness adds up!

Contributing just 2 cents at each meal costs only \$21.60 a year. If 100 people in a congregation each contributed, it would raise \$2,160 that can be used to fight hunger in our community and in our world!

In the Presbytery of Detroit, gifts to Cents-Ability go to food relief efforts by our partner congregations. A portion is also directed to the Presbyterian Hunger Program for international hunger relief efforts.

Can you "make cents" each day and help those who are hungry?

Hunger Ministries Program

Presbytery of Detroit

The Hunger Ministries Program in the Presbytery of Detroit began over 30 years ago as a response to the economic crisis at that time. Today, in spite of an improved economy, nearly a half million people in our area live in poverty. Sixty percent of Detroit residents live below the poverty level, and the number of children living in poverty in Detroit has risen by 65% since 1999.

We are called as believers in Jesus Christ to feed the hungry. Our presbytery lives out this call through the Hunger Ministries Program. Through it we support area congregations who are in covenant with the presbytery, in feeding the hungry in their neighborhoods by distributing groceries or by providing hot meals and sack lunches.

How Can You Help?

This program is funded through Shared Mission Giving by churches in the presbytery and by contributions to Cents-Ability and the Hunger Ministries Fund. We also rely on donations of food from local congregations.

Contributions may be made through your congregation or directly to the Presbytery of Detroit. Gifts of non-perishable food are always welcome! Please make arrangements through our office.

Most importantly, we ask that you pray for those in need and for those engaged in this very important work.
