

Fort Street Presbyterian Church is seeking a Director for its Open Door program. The Open Door Director directs, supervises, and coordinates the operations, programs, funding, communications/public relations, donations and administration and management of Open Door. This is a 40 hour a week position with benefits that reports to the Pastor/Head of Staff and Personnel Committee.

Since 1967, Open Door has worked to relieve the suffering of our community members who have little access to many of life's most basic necessities, most notably our weekly meal service and clothing closets. The Open Door seeks to be cohesive agent that binds our congregants and community together regardless of age, ethnicity or economic status. Open Door is not only an on-site mission but a catalyst for further efforts to bring together our city's divided communities. We hope to find a Director who can build and strengthen the relationships that make the program work, including the Fort Street Presbyterian Church community and other churches that provide financial support, donations, and volunteers; with volunteers; with guests who receive services; and with partner organizations and service providers. We seek a creative leader who can share the story and vision of Open Door with individuals from a variety of life circumstances and social locations.

We are accepting resumes for this position through April 30, 2018. Resumes and cover letters should be emailed to FortStreetPersonnel@gmail.com. To view the complete position description visit: <http://fortstreet.org/openings>
